Such opportunities include volunteering for one of our social and/or wellness events, becoming a GSA council member, or perhaps running for one of the three GSA Executive positions. Your involvement in the GSA could not only be a great experience, but would also be an excellent addition to your CV.

We wish you all the best in your University of Lethbridge studies and hope that your experience here is an excellent one. We look forward to welcoming you in-person at either Graduate Student Orientation, or during one of our multiple social events.

Sincerely,
