

The Day of Mourning is observed across Canada and internationally every year on April 28th to remember workers who have been killed, injured or disabled on the job. On behalf of the Canadian Union of Public Employees (CUPE) Local 70, the City of Lethbridge, and the Canadian Association of Safety Engineers (CSSE) we would like to invite you to attend our local Day of Mourning event.

This national day of remembrance offers an opportunity for us to honour co-workers, friends and family who have lost their lives to workplace injury and disease, and to collectively renew our commitment to create safer workplaces in our City. We would be honoured to have you attend.
