BRAIN AWARENESS WEEK 2024

Free Public Talk

DR. ROBBIN GIBB

There have been significant advances in brain research in recent years, increasing understanding of the brain and raising awareness and support for ongoing research.

Join University of Lethbridge researchers, students and community partners during Brain Awareness Week to learn more about these advances and what they mean for overall brain health.

Free Public Talk

THE SOCIAL SYNAPSE: USING PLAY AND RELATIONSHIPS TO BUILD EXECUTIVE FUNCTION.

Dr. Robbin Gibb (BSc '77, MSc '01, PhD '04)

Canadian Centre for Behavioural Neuroscience
University of Lethbridge

WED, MARCH 13, 2024 | 5:30 P.M.

University of Lethbridge, Science Commons, BMO
Auditorium

This talk will highlight our successes in the community using play-based programs that exercise working memory, cognitive flexibility and behavioural inhibition.
