

Fall 2017

PUBH 3100

HEALTH AND THE ENVIRONMENT

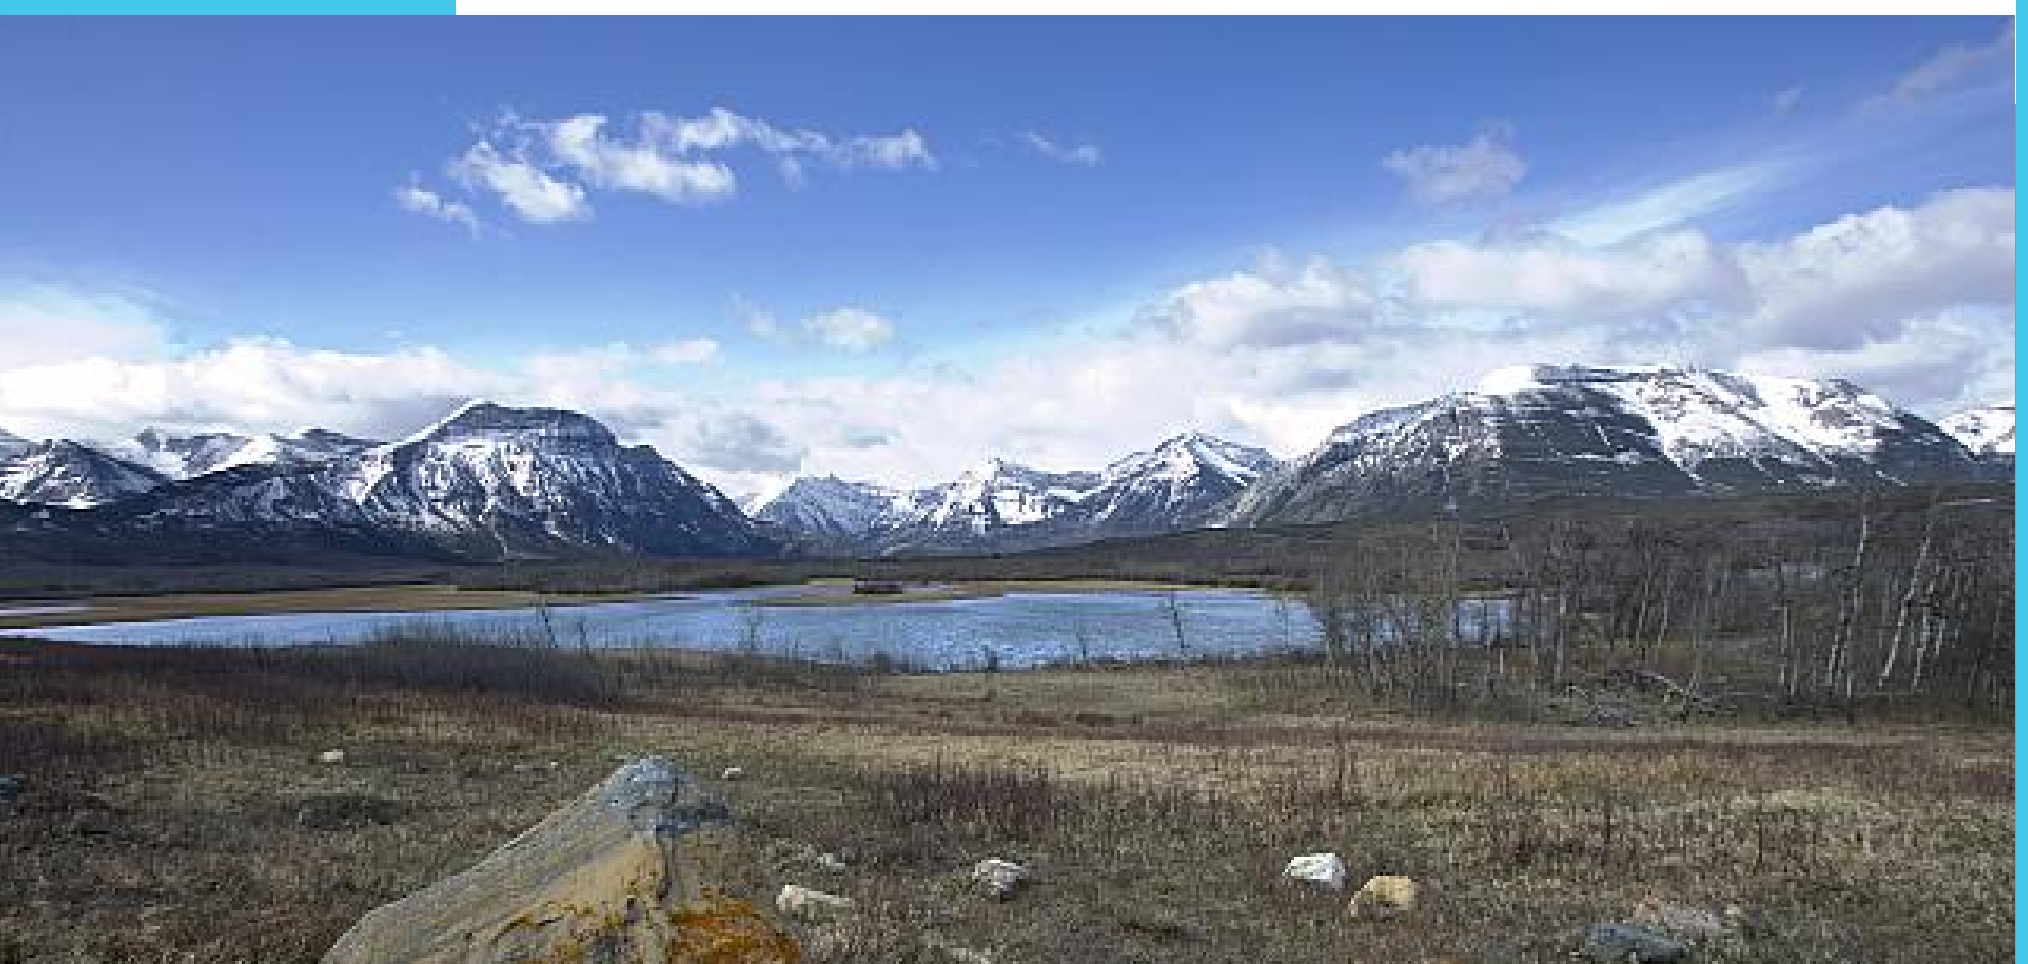

Day: Monday

Time: 3:00-5:50

Instructor: Nimesh Patel

CRN: 31873

Prerequisite: Second-year standing (a minimum of 30.0 credit hours)

University of
Lethbridge

Key environmental and health topics are addressed from both local and global geographical contexts. An interdisciplinary approach will be used to explore the physical, psycho-social-spiritual, political, economic, and contextual factors influencing population health.
