

Abbondanza 2018

Sharing the talents of Fine Arts
students, alumni & faculty
while raising funds
for student scholarships

Abbondanza

(Italian for 'abundance')

Join the Faculty of Fine Arts during an entertaining evening filled with original art, exciting performances, a gourmet Italian-inspired meal, fun and frivolity. Enjoy the talents of art, drama, music and new media students while helping raise money for student scholarships.

Support the Abbondanza Endowment Fund

Since its inception, the Abbondanza Scholarship Endowment has awarded 107 scholarships to deserving senior students in Art, Drama, Music, New Media and Multidisciplinary programs. The ever-growing endowment allows the Faculty of Fine Arts to provide a minimum of nine \$3,000 undergraduate scholarships each year, making the Abbondanza Scholarships one of the largest awards provided to University of Lethbridge Fine Arts students.

Thanks to generous donors supporting Abbondanza, the endowment is now able to support Master of Fine Arts and Master of Music students with four \$4,500 scholarships annually. Since 2015, 12 hardworking graduate students have been able to continue pursuing their passions thanks to your support.

With all donations going directly into the endowment fund, the first dollar we received, along with every dollar since, is working to support students. Join us at the 17th Abbondanza extravaganza and support undergraduate and graduate Fine Arts students as they work to achieve their educational goals.

"I can't express how grateful I am to have had this amazing opportunity given to me. Because of your help, I have a 3.75 grade point average and I couldn't have done it without you. My academic success during 2016-2017 is directly related to you. It was your decision to provide me with this most substantial financial backing and from the bottom of my heart, thank you for everything."

Kathryn Abbott, New Media
2016-2017 Abbondanza
Scholarship Recipient
