

NOVEMBER 21, 2018 BOOK LAUNCH

Children's Active Transportation by Dr. Richard Larouche, Assistant Professor in Public Health

This book published by Elsevier provides a comprehensive overview of the current research and interventions on active transportation for children and youth. You are invited to join us to learn more about the multiple benefits of active transportation, and what we can do to encourage more kids to walk and cycle for transportation!

Join us in Andy's
Place (Anderson
Hall, room 100)
for a presentation
followed by a
discussion,
starting at 7:00
PM

Free light
refreshments will
be provided by
6:30 PM

Everyone is
welcomed to
attend!

Free parking after
5:00 PM and bike
racks beside
Anderson Hall
