

Community Neuroscience Series

Wednesday, Mar. 18th, 7:00pm at Stoketown Café + Cure

Let's Talk About Sex (And Gender And Sexuality), Baby!

From same-sex marriage to gender-neutral restrooms, sex, gender, and sexuality have become hot topics in the news. But have you ever wondered about the science of it all?

Join Aubrey Demchuk, a PhD Candidate in Neuroscience, to learn more about how your genes shape your physical, psychological, and sexual identity.

Scan the QR link below or follow us on Instagram @CNSLethbridge for more information on dates, topics and locations.
