

Call for Artists – Current Students and Alumni

Student Affairs is seeking artists to submit artwork for a wall mural in Anderson Hall.

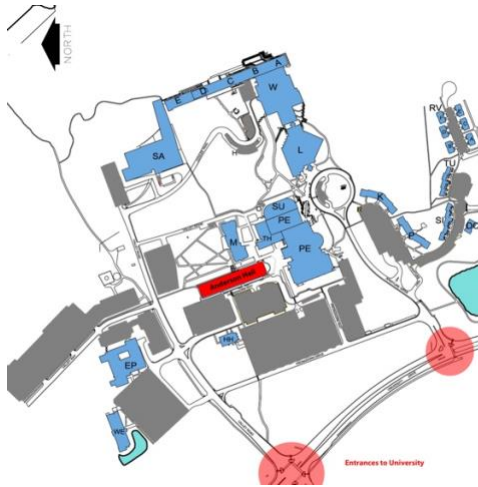

A three metre-tall x 8.5 metre long curved wall near the main entrance/exit area will display the chosen artwork, enlarged and printed on vinyl. The final mural is intended to remain indefinitely. One artist will be commissioned to provide artwork for a vinyl wrap* but will not be responsible for fabrication and installation. The artist selected may be required to participate in a workshop with a project graphic designer and/or installer in advance of executing their finished image.

*A vinyl “wrap” is basically one sheet or several sheets of vinyl that will make up the image and be placed on the wall by professionals. It is durable and removable. The artist’s final image, whether created manually (scanned) or digitally, will be enlarged to fit the size of the wall. The artist has control over whether they want a full coverage image or smaller vinyl elements placed to their specifications. The base wall may be repainted with one chosen colour to accommodate the artist’s vision.

Site

Anderson Hall sits right off the main parking lots and is one of the closer buildings to the campus entrance. The Hall's main entrance area has large sets of doors on either side of the narrow building. It regularly serves as a walk-through to get directly to Markin Hall and the larger campus. Although Anderson Hall may not always be the destination, it is often the first introduction to the University of Lethbridge, which inspired a desire to present a welcoming image for students and the public. The specific wall being targeted for a mural will be in full view, unobstructed to those entering and exiting.

Eligibility

The competition is open to current students at the University of Lethbridge and alumni who reside in Canada.

Project Considerations

Artists should consider the following when conceptualizing the mural:

- Designs should appeal to a post-secondary audience, contain appropriate content, and consider reflecting one or more of the following themes:

- Welcoming
- Community and Connection
- University/land location, history
- Student Life

- Consider the scale of the final piece and how your medium will translate when enlarged.

Project Budget

The selected artist will receive an artist fee of \$2,500.00 CD (Canadian Dollars)
