Call for Papers

Take part in our 15th annual undergraduate student conference at the University of Lethbridge in southern Alberta. The conference is an opportunity to show off the best of your academic work into any facet of the study of religion around the world and throughout history. Proposals for papers from any discipline with the academic fields of the humanities and social sciences are welcome. We typically accept over 40 papers per year, and students have come from across Western Canada and beyond.

We do not need to see the entire paper. Papers will be selected on the basis of abstracts submitted online at
