

DOWNTOWN DESIGN COLLABORATIVE

OKI

The City of Lethbridge is excited to invite you to our upcoming event:

The City Scholars Downtown Design Collaborative!

This event is a student-focused workshop to showcase student experiences, perspectives, and ideas for the future of Downtown, the *heart of our city*.

As students, you have the power to shape the future of your community. Discover how your ideas can influence real change by connecting with municipal leaders and fellow students. Gain insights, network with professionals, and be part of the conversation that shapes the future of Downtown Lethbridge, the most iconic neighbourhood in our community.

Over the course of the day, students will have the opportunity to learn more about planning and design in Downtown, participate in a walking tour, hear insights from Downtown stakeholders, and brainstorm ideas to improve and evolve the future of this neighbourhood.

Registration for this full-day event is free and includes lunch provided by the Owl Acoustic Lounge!
