

## Communication Letter

### Campus Storm Drain System Repairs Project:

Contractors are scheduled from June 6 to August 31 to repair storm pipe from University Hall to the Students Union building. This work will require excavation of various asphalt pathways, the UCA Level 4 loading dock area and across Coulee Trail road. Additional notices will be posted indicating exact closures and dates as work progresses.

Please obey barricades, signage and detours for your safety and the safety of the workers.

For any questions or concerns please contact:

Jim Vanderzee, Project Manager  
Project Management Office, Facilities
