

## Diabetes Canada Community Awareness Day

Looking to learn more about diabetes management or local support resources in the Lethbridge area?

Join Diabetes Canada for an informative day filled with interactive sessions on the latest treatments and programs as well as information about diabetes self-management resources that are in your community!

These session will empower and enable you to take active steps in managing your health.

A small tradeshow will highlight local resources available in the community that support diabetes management.

Date: **April 22, 2017**

Time: **1 – 4 p.m.**

Location: **The Saddle Room, Exhibition Park**

**3401 Parkside Drive South, Lethbridge**

**Registration is free! Preregister to be entered into the door prize.**
