

# HISPANIC STUDIES (HPST) 2850

NEW COURSE OFFERING

WINTER 2025

## Why So Many Revolutions?: Introduction to Latin American Cultures

The history of Latin American cultures and nations is full of tensions and conflicts around economic inequality, ideology, autocracy, foreign intervention, regional identity, race, gender, and the environment. Join us as we unpack the why and how of Latin America's diverse revolutionary past and present.

**Note: Language of instruction is English**
