

DEPARTMENT OF GEOGRAPHY & ENVIRONMENT

FRIDAY AFTERNOON SEMINAR

Nutrien and a sustainable agri-food supply chain

Mike Nemeth,
BSc (Co-op) '08, MSc '10, PAg
Senior Advisor, Agricultural and
Environmental Sustainability
Corporate Sustainability and
Stakeholder Relations, Nutrien

Friday, Oct 29th
3:15-4:30PM
Online on Zoom
Everyone welcome!

Join alumnus Mike Nemeth as he provides an introduction and background to his current role at Nutrien. He will bring you an overview of Nutrien—who we are, and what we do.

Michael will focus on environmental aspects of sustainable agriculture and leading local and Canadian examples of sustainability in the agri-food supply chain.

Discussion and Q&A to follow.
