

## ***What is Liberal Education?***

**BREADTH** - *multiple ways of looking at and studying the world*

**CONNECTIONS** - *ability to connect and integrate knowledge across disciplines*

**CRITICAL THINKING** - *learning how to identify an argument, evaluate evidence and reasoning, produce informed decisions, and communicate and defend those decisions*

**CIVIC ENGAGEMENT** - *contribute as community members on all levels from local to global, and participate in the running of our communities*
