

Raising Spirit:

The Opokaa'sin Digital Storytelling Project

A collaborative project between Opokaa'sin Early Intervention Society and the University of Lethbridge's Institute for Child and Youth Studies and Museum Studies Department.

Please join us for a photo exhibit reception which will feature photos of local Blackfoot families in everyday moments of child rearing. These are a testament to resilient families.

March 21st, 2016

5:00-7:00pm, Opokaa'sin Early Intervention Society
