

2023 CHRISA UNCONFERENCE

May 5 & 8 2023
9:00 AM to 03:30PM
University of Lethbridge

CULTIVATING SOLUTIONS FOR HEALTHCARE

Healthcare needs an overhaul, with new bold ideas that are community and people driven.

This event will bring together individuals of diverse backgrounds to explore new ideas and spawn initiatives to address current healthcare challenges faced by Albertans. We need "out of the box" thinking, with the goals of:

Networking

Collaboration

Grassroot Initiatives

Long-term Impact

WHAT IS CHRISA?

The Collaborative Health Research Institute of Southern Alberta (CHRISA) serves as a hub for establishing transdisciplinary collaboration between researchers, service providers, and patients to enrich health across the lifespan for people living in Southern Alberta and beyond.

WHO SHOULD ATTEND?

Healthcare users, leaders, managers, researchers, practitioners, clinicians, policy makers, students, and community members.

MADE POSSIBLE BY:

This event is free due to generous donations by:

- City of Lethbridge
- University of Lethbridge
