Booking Rules

Please make sure you read and understand all rules before booking

The Holiday Inn Express & Suites Lethbridge is pleased to offer your group a special discounted price. With this we have to set a cut-off date for your group. If you happen to call in after the above listed cut-off date there is a 10\$ late fee per night added on to the rate, so long as the same room type is available.

All Reservations must be made with a credit card, and upon check in a credit card with matching ID must approve for the charges. Upon check out you may choose to change your payment as long as front desk has been pre-informed. If for any reason you do not have a credit card, you **MUST** phone 72 hours before hand and talk to the Sales Manager to inform us of this, and we will do our best to work things out for you.

Check in is at 3pm and check out is at 11am. Early check ins and late check outs **CAN NOT** be guaranteed.

Any cancellations or changes to your group reservation must be done 72 hours before check in. Any cancellations done after this time may result in a cancellation fee equal to room and taxes for first nights stay.
