# NEW & NOTEWORTHY

## Bachelor of Fine Arts - New Media

Explore, study and create using a wide range of technologies and techniques with courses in graphic design, web design and development, interaction design, 3D modelling, animation, video game design and development, screenwriting, cinema production and studies, and new media theory. You can also focus on one of three concentrations in your degree: web and graphic design, animation and gaming, or cinema production. Senior students choose between advanced studio, in which they undertake a self-directed project, or an industry internship placement close to home or around the world.

## Bachelor of Health Sciences - Aboriginal Health

This exciting program examines the factors that contribute to Indigenous health, strength and resilience in Canada and around the world. Students receive theoretical knowledge of Indigenous health concepts and learn how to build healthy communities, prevent disease, create and evaluate health programs and conduct health research. Students have the opportunity to develop their skills in a community setting by engaging in a practicum in partnership with rural and urban Indigenous communities.

## Bachelor of Health Sciences - Public Health

Become part of a fast-growing field dedicated to promoting and protecting the health of Canadians and populations across the globe by preventing chronic and infectious disease before it occurs. Gain practical knowledge of designing and implementing programs that promote health, collecting and analyzing health data and shaping health policy in Alberta's only undergraduate degree program in public health.

## Bachelor of Music - Music Studio

Explore this performance-intensive learning experience as a singer, instrumentalist or composer. Receive one-on-one instruction from master performing musicians and teachers, attend numerous guest master-classes and have performance opportunities throughout the year. Recitals showcase your development and accomplishments as a growing musician and your experience is enhanced by participation in ensembles. With 24-hour access, the individual practice studios provide you with the freedom to hone your skills on campus.

## Dhillon School of Business Living and Learning Community

This exciting opportunity provides students with a guaranteed bed in Housing (application and deadlines apply) and exclusive access to leadership development opportunities, guest speakers, networking events, academic advising, and other student activities — many taking place within residences on campus. We hope to develop additional Faculty living and learning communities in Fall 2019.

## Liberal Education List Requirement

General Liberal Education Requirements (GLER) is now the Liberal Education List Requirement (Lib Ed Requirement). The Lib Ed List Requirement ensures that students acquire a breadth of knowledge, encompassing a variety of disciplines, perspectives and theories throughout their degree. This provides a solid foundation for personal and professional development. Over the course of their program, students must complete four courses from each of the following three lists (12 courses in total):

- List I - Fine Arts and Humanities
- List II - Social Science
- List III - Science

## New Minors

All minors are now available to any student in any degree program, with the exception of minors in Education. Minors in Education are specifically tied to Education degrees. New minors introduced in 2018/19 include:

- Agricultural Economics
- Anthropology
- Art History
- Art History and Museum Studies
- Art Studio
- Cinema
- General Music Studies
- Marketing
- Museum Studies
- Music in Popular Culture
- New Media
- New Media Studies
- Theatre Practice
- Theatre Studies

## Student Professional Development Program (PDP)

The Management Student Professional Development Program provides students with further insight, knowledge, skills and experiences that will assist them throughout their academic and professional career. Take part in skills workshops, industry networking events, case competitions and student clubs that provide incredible personal and professional growth and a competitive advantage upon graduation.

## Something For You: Master of Education Routes

Have you thought about going back to school to get a master's degree? uLethbridge has three majors for our Master of Education degree:

1. General – intended for practicing educators.
2. Counselling Psychology – provides training for individuals who want to develop professional skills and certification in counselling psychology, and who work within educational, community or private practice settings.
3. Educational Leadership – prepares educators for key school leadership careers.

Deadline to apply is December 1, 2018 to start Summer 2019. Learn more at: [ulethbridge.ca/future-student/graduate-studies](http://ulethbridge.ca/future-student/graduate-studies)

## COUNSELLOR NEWSLETTER

Stay up to date with important admission and program updates from uLethbridge with our counsellor newsletter. To sign up, email [inquiries@uleth.ca](mailto:inquiries@uleth.ca) with your name and school.

# Canadian High School Admission Requirements

The following are the general admission requirements for applicants presenting credentials from Canadian high schools. Your published (final) Grade 11 grades

Province/ Territory	English	THREE approved Gra			
		Language other than English <sup>3</sup>	Social Studies	Math (Algebra)	Math (Calculus)
<b>Alberta, N.W.T, Nunavut</b>	<ul style="list-style-type: none"> <li>English Language Arts 30-1</li> </ul>	<ul style="list-style-type: none"> <li>One or more distinct languages at the 30, 20-6Y, 20-9Y, or 20-12Y level</li> </ul>	<ul style="list-style-type: none"> <li>Aboriginal Studies 30</li> <li>Social Studies 30-1</li> </ul>	<ul style="list-style-type: none"> <li>Mathematics 30-1</li> </ul>	<ul style="list-style-type: none"> <li>Mathematics 31</li> </ul>
<b>British Columbia / Yukon Territories</b>	<ul style="list-style-type: none"> <li>One of English 12 or English 12 First Peoples</li> </ul>	<ul style="list-style-type: none"> <li>One or more distinct languages at the 12 or 12A level</li> </ul>	<ul style="list-style-type: none"> <li>B.C. First Nations Studies 12</li> <li>Comparative Civilizations 12</li> <li>Geography 12</li> <li>History 12</li> <li>Law 12</li> <li>Social Justice 12</li> </ul>	<ul style="list-style-type: none"> <li>Pre-Calculus 12</li> </ul>	<ul style="list-style-type: none"> <li>Calculus 12</li> </ul>
<b>Manitoba</b>	<ul style="list-style-type: none"> <li>One of ELA: Comprehensive Focus 40S or ELA: Literary Focus 40S or ELA: Transactional Focus 40S</li> </ul>	<ul style="list-style-type: none"> <li>One or more distinct languages at the 40S or 30S (min. 4 yr) level</li> </ul>	<ul style="list-style-type: none"> <li>History: Western Civilization 40S</li> <li>Global Issues 40S</li> <li>Geography: World Human 40S</li> <li>Current Topics in FNMI Studies 40S</li> </ul>	<ul style="list-style-type: none"> <li>Pre-Calculus Mathematics 40S</li> </ul>	<ul style="list-style-type: none"> <li>Advanced Mathematics 45S and Calculus 45S</li> </ul>

<b>Prince Edward Island</b>	<ul style="list-style-type: none"> <li>One of English 611A or 621A</li> </ul>	<ul style="list-style-type: none"> <li>One or more distinct languages at the 621 level</li> </ul>	<ul style="list-style-type: none"> <li>Geography 621A</li> <li>History 621A</li> </ul>	<ul style="list-style-type: none"> <li>Mathematics 621B</li> </ul>	<ul style="list-style-type: none"> <li>Mathematics 621B</li> </ul>
<b>Quebec<sup>1</sup></b> Two CEGEP courses in English and eight other academic subjects. Maximum of two in each subject.	<ul style="list-style-type: none"> <li>English Literature 603</li> </ul>	<ul style="list-style-type: none"> <li>One of Français 601 or French as a Second Language 602</li> <li>One or more distinct languages at the 607 to 616 level</li> </ul>	<ul style="list-style-type: none"> <li>Geography 320</li> <li>History 330</li> </ul>		
<b>Saskatchewan</b>	<ul style="list-style-type: none"> <li>English Language Arts A30/English Language Arts B30 (counts as one course)<sup>2</sup></li> </ul>	<ul style="list-style-type: none"> <li>One or more distinct languages at the 30 level</li> </ul>	<ul style="list-style-type: none"> <li>Geography 30</li> <li>History 30: Canadian Studies</li> <li>Native Studies 30: Canadian Studies</li> <li>Social Studies 30: Canadian Studies</li> </ul>	<ul style="list-style-type: none"> <li>Pre-Calculus 30</li> </ul>	<ul style="list-style-type: none"> <li>Calculus 30</li> </ul>

<sup>1</sup> Quebec: Two complete years may qualify the applicant for advanced credits.

<sup>2</sup> Saskatchewan: Français/Immersion students may use one of Français Français A30 or B30 or Français Immersion in combination with either one of the English Language Arts courses. While either of Pre-Calculus 30 or Foundations of Mathematics 30 may be used as an academic course for admission, Pre-Calculus 30

is required as a prerequisite for courses in certain programs.

<sup>3</sup> Only one course in a particular language will be used for admission purposes, e.g., in Alberta, only one of French Language Arts 30-1 or French as a Second Language 30-3Y will be used.

<sup>4</sup> World Geography CGU4U or Canadian and World Issues CGW4U; History Identity & Culture CHI4U or The West & the World CHY4U; Law CLN4U; Canadian & World Politics CPW4U; Aboriginal Issues in Global Context NDW4M or Aboriginal Gov: Emerging Direc NDG4M.

<sup>5</sup> Any distinct Fine Arts subject can be used as an academic course.

will be used to determine conditional admission to uLethbridge. Final Grade 12 grades will be reviewed and must meet admission requirements prior to the

appropriate document deadlines. To ensure success in academic study, all applicants, regardless of citizenship or country of origin, must meet the English

language proficiency (ELP) requirements through recognized study or a valid standardized test score.

For information about additional admission pathways including First Nations' Transition Program, Non-Matriculated Adults, and International Students, please contact our Admissions office. Individual programs may have additional requirements or higher standards. For details visit: [ulethbridge.ca/ross/admissions/program-availability](http://ulethbridge.ca/ross/admissions/program-availability).

# Admission Requirements

## ARTS & SCIENCE

### BASc - All Majors

See Bachelor of Arts and Bachelor of Science majors that require high school prerequisites.

### BSc - Agricultural Biotechnology

- Biology 30
- Chemistry 30
- Mathematics 30-1
- Physics 30 (recommended)
- Mathematics 31 (recommended)

### BA - Agricultural Studies

- Mathematics 30-1 or Mathematics 30-2

### BSc - Agricultural Studies

- Biology 30
- Chemistry 30
- Mathematics 30-1

### BA - Anthropology

None

### BSc - Applied Statistics

- Mathematics 30-1
- Mathematics 31 (recommended)

### BA or BSc - Archaeology and Geography

None

### BA or BSc - Archaeology and Geography (With Optional Concentration in GIS)

- Mathematics 30-1 or Mathematics 30-2

### BA - Art

None

### BSc - Biochemistry

- Biology 30
- Chemistry 30
- Mathematics 30-1

### BSc - Biological Sciences

- Biology 30
- Chemistry 30
- Mathematics 30-1

### BA - Canadian Studies

- French is recommended

### BSc - Chemistry

- Biology 30
- Chemistry 30
- Mathematics 30-1

### BSc - Computer Science

- Mathematics 30-1

### BSc - Computer Science and GIS

- Mathematics 30-1

### BA - Dramatic Arts

None

### BA - Economics

- Mathematics 30-1 or Mathematics 30-2

### BA - English

None

### BSc - Environmental Science

- Biology 30
- Chemistry 30
- Mathematics 30-1

### BA - French

- French is recommended

### BA - French/Spanish

- French and Spanish are recommended

### BA - Geography

- Mathematics 30-1 or Mathematics 30-2 (recommended)

### BA - Geography (With Optional Concentration in GIS)

- Mathematics 30-1 or Mathematics 30-2

### BSc - Geography

- Mathematics 30-1

### BA - History

None

### BA - Kinesiology

None

### BSc - Kinesiology

- Biology 30

### BSc - Mathematics

- Mathematics 30-1
- Mathematics 31 (recommended)

### BA - Music

None

### BA - Indigenous Studies

None

### BSc - Neuroscience

- Biology 30
- Chemistry 30
- Mathematics 30-1

### BA - Philosophy

None

### BSc - Physics

- Mathematics 30-1

### BA - Political Science

None

### BA or BSc - Psychology

None

### BA - Religious Studies

None

### BSc - Remote Sensing

- Mathematics 30-1

### BA - Sociology

- Mathematics 30-1 or Mathematics 30-2 (recommended)

### BA - Urban and Regional Studies

- Mathematics 30-1 or Mathematics 30-2 (recommended)

### BA - Women and Gender Studies

None

### Engineering

- Chemistry 30
- Physics 30
- Mathematics 31
- Mathematics 30-1
- English Language Arts 30-1

## EDUCATION

### All Majors

The Faculty of Education does not grant direct entry into the Education program. Students complete two years in a pre-Education program prior to applying for admission to the Faculty.

## FINE ARTS

### All Majors

No high school courses are required to meet prerequisites in Fine Arts programs. Applicants are still required to present high school courses for admission purposes.

## HEALTH SCIENCES

The courses given below for programs in the Faculty of Health Sciences are required for admission purposes.

### Bachelor of Nursing

- Biology 30
- Chemistry 30
- English Language Arts 30-1
- Mathematics 30-1 or Mathematics 30-2

### BHSc – Aboriginal Health

- Biology 30
- English Language Arts 30-1
- Mathematics 30-1 or Mathematics 30-2

### BHSc - Addictions Counselling

- English Language Arts 30-1

### BHSc - Public Health

- Biology 30
- Chemistry 30
- English Language Arts 30-1
- Mathematics 30-1 or Mathematics 30-2

## DHILLON SCHOOL OF BUSINESS

The courses given below for programs in the Dhillon School of Business are required for admission purposes.

### BMgt - Accounting

- Mathematics 30-1

### BMgt - Computer Science

- Mathematics 30-1 or Mathematics 30-2

### BMgt - Economics

- Mathematics 30-1

### BMgt - Finance

- Mathematics 30-1

### BMgt - Indigenous Governance and Business Management

- Mathematics 30-1 or Mathematics 30-2

### BMgt - General Management

- Mathematics 30-1 or Mathematics 30-2

### BMgt - Human Resource Management and Labour Relations

- Mathematics 30-1 or Mathematics 30-2

### BMgt - International Management

- Mathematics 30-1 or Mathematics 30-2

### BMgt - Marketing

- Mathematics 30-1 or Mathematics 30-2

### BMgt - Political Science

- Mathematics 30-1 or Mathematics 30-2

### Required vs. Recommended Courses

Certain high school courses, although not specifically required, are recommended because either:  
(1) the course is recommended background for one or more courses required in the major; or  
(2) completion of the course will allow students more options when choosing major requirements.

Visit the online version of this chart at [ulethbridge.ca/ross/hs\\_prereqs/program/all](http://ulethbridge.ca/ross/hs_prereqs/program/all) to access specific information regarding why a particular high school course is recommended.

# ADVANCED PLACEMENT (AP) AND INTERNATIONAL BACCALAUREATE (IB)

Applicants should review the uLethbridge Transfer Credit Database for up-to-date transfer credit.  
[ulethbridge.ca/ross/admissions/undergrad/transfer-credit](http://ulethbridge.ca/ross/admissions/undergrad/transfer-credit)

AP Course	uLethbridge Course
<b>MINIMUM GRADE REQUIRED: 4</b>

<sup>3</sup> Two unspecified Music credits may be applied to specific Music requirements after interview and assessment by the Department of Music.

Note: Subject to change. See [ulethbridge.ca/ross/admission-information/adm\\_routes/ib](http://ulethbridge.ca/ross/admission-information/adm_routes/ib) for current information.

# Post-Secondary Admission Route

Applicants who have completed six or more transferable term courses at one or more post-secondary institutions will be considered as Post-Secondary applicants.

To qualify for general admission, Post-Secondary applicants must have an admission average of at least 2.0 on the uLethbridge 4.0 GPA scale, calculated on all transferable courses. Satisfactory completion of certain Alberta high school courses or equivalents is required for admission to some majors. See High School Admission Requirements by Program for quota and specialized program admission requirements.

Upon admission, students are assigned transfer credit on a course-by-course basis for eligible post-secondary work. Transfer of credit may serve to reduce the number of courses which must be completed at uLethbridge in order to complete a program of studies. For detailed information on course-by-course transfer, including course equivalencies, see [ulethbridge.ca/ross/admission-information/adm\\_routes/new\\_transfer](http://ulethbridge.ca/ross/admission-information/adm_routes/new_transfer).

Refer to the Programs Available to Post-Secondary Students online at [ulethbridge.ca/ross/admission-information/adm\\_routes/nt\\_prog](http://ulethbridge.ca/ross/admission-information/adm_routes/nt_prog).

Also, see Admission in the current uLethbridge Calendar available online [ulethbridge.ca/ross/academic-calendar/part01.pdf](http://ulethbridge.ca/ross/academic-calendar/part01.pdf).

## Alberta Colleges or Institutes of Technology

For admission and prerequisite requirements, uLethbridge accepts courses offered by colleges that are deemed to be equivalent to Alberta high school 30-level courses. Please refer to the Alberta Council on Admissions and Transfer (ACAT) Guide at [acat.gov.ab.ca](http://acat.gov.ab.ca).

Number of Transferable Courses	High School Transcript Required	Min. Average Required	Transferable Courses – GPA Required	Min. GPA Required*
1-5	Yes	65%	Yes	2.0
6+	Yes	N/A	Yes	2.0

\*\* Your high school marks are not used to determine your admission GPA, but may be necessary for prerequisite purposes. If you are not sure whether six of your courses will transfer, you should also arrange for your high school transcript to be sent to Admissions.

As early as their first year, students can work alongside leading researchers as they push the boundaries of creativity and discovery — an opportunity often reserved only for graduate students at other institutions. Regardless of their major, whether they plan to go on to graduate studies or begin a professional career, being involved in research as an undergraduate will help students stand out from the crowd when they graduate.

# ADDITIONAL ADMISSION ROUTES

## Degree Holders

Applicants who have completed, with satisfactory grades, one or more academic degrees from a recognized university, will be considered for admission to a second degree program at uLethbridge. The declared uLethbridge program/major must be dissimilar from any degree already completed. Second degree program requirements are individualized for each student. Courses completed during a student's first degree, as well as those completed after, may affect the program content and/or reduce the number of courses required to complete subsequent degrees. Please contact an academic advisor in the appropriate Faculty or School for more information.

## Applied and Technology Degrees

Applicants presenting applied or technology degrees from recognized colleges or technical institutes in Canada with GPAs of 2.0 or higher on the uLethbridge 4.0 GPA scale will be considered for admission to first degree, undergraduate non-quota programs. These applicants will be considered for admission to quota programs according to their qualifications as transfer students.

Transfer credit will be awarded according to regular uLethbridge procedures and policies, including those pertaining to residency, major and time limits.

Applied and technology degrees are not normally considered to be a basis of admission for second degree or graduate studies programs.

## Home School Applicants

Regardless of their citizenship or residency, home school applicants will be considered according to the curriculum they followed.

### For example:

A home school applicant who studied Alberta curriculum is expected to meet the requirements of an Alberta high school applicant.

The applicant should challenge the departmental examinations in courses where such examinations exist to provide grades in the subjects challenged. By this means, an applicant will be considered for admission who presents final grades in five distinct subjects.

A high school applicant from British Columbia should challenge the provincial examinations in courses where such examinations exist to provide grades in the subjects challenged. An applicant will be considered for admission who presents final grades in five distinct subjects.

An applicant who presents both a high school diploma and appropriate, satisfactory standardized test scores, either ACT or both SAT I and II, will be considered for general admission.

## Non-Matriculated Adult Admission

Applicants who are a Canadian citizen or Permanent Resident, age 21 years or older, and who do not meet current admission requirements of any other admission route may be considered for Adult Student admission.

Applicants who have completed high school requirements with an admission average of at least 60%, or have a minimum grade of 65% in English 30-1 or 30-2 and passing grades in two other 30-level courses will be considered for admission. For applicants who have not completed high school requirements, a combination of academic credentials, standardized test scores, and evidence of life experiences may be considered.

The applicant is assessed for potential post-secondary success, which is the standard of admission for this route. A resume and letter of intent are required for admission purposes. Additional advice is available from the Admissions Office.

## First Nations' Transition Program

The First Nations' Transition Program (FNTF) is a first-year credit program that provides First Nations, Métis and Inuit students who do not meet the general requirements of the uLethbridge an opportunity to enter into, and succeed at, university. This program provides a solid foundation of core skills in a supportive cohort environment that attends to Indigenous Ways of Knowing and Learning.

It is also open to Indigenous students returning to university after an absence and, as space allows, to those who qualify for general admission but want the supports provided by the cohort.

Successful completion of the FNTF allows students to enter into most uLethbridge programs. Admission is on a case-by-case basis. For more information, contact our FNTF Office at 403-329-2635.

## Dual Admission

Dual Admission is a specific transfer admission route available for some degree programs open to students enrolled in a dual admission partner institution.

Dual Admission applicants must meet all general admission and program-specific admission requirements in effect at the time of application.

## Standardized Test Admission

Standardized test admission route applicants who present acceptable ACT (American College Testing) or SAT (Scholastic Academic Test) scores will be considered for general admission. In the case of the SAT, the applicant must present complete SAT scores. Applicants who do not present three SAT subject test scores and who present superior high school records (at least five Grade 12-level courses in academic subjects including English, with a 'B+' or higher), will be considered for admission on an individual basis.

Contact our Admissions Office if you need advice.

For a complete list of admission routes and requirements, visit:

[ulethbridge.ca/ross/sites/admissions/ross/undergrad/general-reqs](http://ulethbridge.ca/ross/sites/admissions/ross/undergrad/general-reqs)

# ENGLISH LANGUAGE AND WRITING REQUIREMENTS

## English Language Proficiency

English Language Proficiency (ELP) is a requirement for all applicants. The ELP requirement may be met in a number of ways, including:

- Successful completion of the Advanced Level of uLethbridge's English for Academic Purposes (EAP) program
- A score of at least 80 on the iBT, with scores of at least 16 on each of Listening, Reading, and Speaking, and a score of at least 18 on Writing on the most recent official TOEFL (Test of English as a Foreign Language) score, taken within the last two years.
- Most recent official Academic IELTS (International English Language Testing System) score, taken within the last two years, with an overall score of at least 6.0 and at least 6.0 in each band

Refer to the English Language Proficiency section in Part 1 – Admission of the current uLethbridge Academic Calendar or see our web page at [ulethbridge.ca/ross/admission-information/elp](http://ulethbridge.ca/ross/admission-information/elp) for additional methods of meeting the ELP requirement, as well as for listings of countries and universities exempt from the ELP requirement.

## Spoken English Language Proficiency

In addition to the English Language Proficiency requirement for uLethbridge undergraduate admission, all applicants to the Faculty of Health Sciences must also meet the Spoken English Language Proficiency (SELP) requirement. This additional SELP requirement is essential because students must be able to communicate clearly and effectively with colleagues, instructors, health care professionals, and the public in a variety of settings to be successful in these programs.

Evidence of Spoken English Language Proficiency must be presented prior to admission and may be shown in a number of ways, including:

- Acceptable evidence of at least six consecutive years of full-time studies in a country and institution in which the primary language is English, including the successful completion of English Language Arts 30-1 or equivalent
- A score of at least 26 on the International Benchmark Test (iBT) Speaking section
- A score of at least 7.5 on the International English Language Testing System (IELTS) Speaking band
- A score of at least 70 on the the Canadian Academic English Language (CAEL) Speaking sub-test
- A score of at least 3 on the Michigan English Language Assessment Battery (MELAB) Speaking section
- Current registration with the College and Association of Registered Nurses of Alberta (CARNA) or College of Licensed Practical Nurses of Alberta (CLPNA)

For additional information, refer to the SELP requirement in the Admissions section in Health Sciences of the current uLethbridge Calendar available online at [ulethbridge.ca/ross/sites/ross/files/imported/academic-calendar/2019-20/part10.pdf](http://ulethbridge.ca/ross/sites/ross/files/imported/academic-calendar/2019-20/part10.pdf)

For the 2019/20 list of undergraduate application and document deadlines, please visit: [ulethbridge.ca/ross/admissions/undergrad/deadlines](https://ulethbridge.ca/ross/admissions/undergrad/deadlines)

# PRE-PROFESSIONAL TRANSFER PROGRAMS

Students at uLethbridge may prepare themselves to apply for admission to a number of professional programs offered at other universities.

Through arrangements between uLethbridge and professional faculties at other universities, transfer programs have been established for the professional programs listed below. Admission to these programs at the destination institutions is by quota and is competitive.

For more information about Pre-Professional Transfer Programs, visit Arts and Science in the current Academic Calendar.

## Dentistry

### University of Alberta

- uLethbridge program of admission: BSc
- Eligible uLethbridge majors: agricultural biotechnology, biochemistry, biological sciences, chemistry, neuroscience.
- Applicants must meet general admission requirements.

## Engineering

### University of Alberta or University of Saskatchewan

- uLethbridge program of admission: Pre-Professional Transfer Program in Engineering
- Space is limited and admission is competitive.
- Applicants must present English Language Arts 30-1, Mathematics 30-1, Mathematics 31, Physics 30, and Chemistry 30. Typically an average of 75% or higher on these courses is required.

## Journalism

### University of Regina

- uLethbridge program of admission: BA
- Eligible uLethbridge majors: student's choice. Majors in economics, English, history, political science, or sociology may be of particular interest.
- Applicants must meet general admission requirements.

## Law

### University of Alberta or University of Calgary

- uLethbridge program of admission: BA
- Eligible uLethbridge majors: student's choice.
- Applicants must meet general admission requirements.

## Medicine

### University of Alberta or University of Calgary

- uLethbridge program of admission: BSc
- Eligible uLethbridge majors: agricultural biotechnology, biochemistry, biological sciences, chemistry, neuroscience are of particular interest.
- Applicants must meet general admission requirements.

## Social Work

### University of Calgary

- uLethbridge program of admission: BA
- Eligible uLethbridge majors: student's choice. Majors in economics, political science, psychology, or sociology may be of particular interest.
- Applicants must meet general admission requirements.
- The final two years of the Bachelor of Social Work program are offered at the Lethbridge campus by the University of Calgary, Faculty of Social Work, Lethbridge Division.

## Veterinary Medicine

### Western College of Veterinary Medicine, University of Calgary

- uLethbridge program of admission: BSc
- Eligible majors: agricultural biotechnology, biochemistry, biological sciences, chemistry, neuroscience.
- Applicants must meet general admission requirements.

# Scholarships

## Scholarship Deadlines

High School Applicant Awards		
Award	Requirements	Deadline to Apply
Grade 11 Merit Award	Regionally disbursed to high-achieving applicants	<b>June 30</b> of the year the applicant is in Grade 11
Board of Governors' Admission Scholarship	Regionally disbursed to high-achieving applicants	Apply for fall admission by <b>December 15</b> No separate application required
Leadership Awards	Leadership, academic achievement, volunteer experience, financial need and/or artistic ability	Separate scholarship application * required by <b>March 15</b>
High School Applicant Entrance Awards	Academic achievement	Separate scholarship application * <b>March 15</b> for fall entrance
Transfer Applicant Awards		
Award	Requirements	Deadline to Apply
Transfer/Collaborative	Minimum of 24 transferable credits with a GPA of 3.0 or higher	Separate scholarship application * <b>June 15</b> for fall entrance
Post-Diploma	Academic achievement based on diploma GPA of 3.0 or higher	Separate scholarship application * <b>June 15</b> for fall entrance
Athletic Awards   Alberta residents may be recommended by their coaches for a Jimmy Condon Athletic Scholarship during their first year of participation on a University intercollegiate athletic team. Entrance and continuing athletic awards are governed by U Sports.		

\* Applications must be submitted online using the Bridge ([bridge.uleth.ca](https://bridge.uleth.ca)).  
For a complete list of scholarships and awards, visit [ulethbridge.ca/ross/student-finance/awards](https://ulethbridge.ca/ross/student-finance/awards).

### Government Student Financial Assistance

Contact our office for details on applying for government student financial assistance to study at uLethbridge. Check the CanLearn website at [canlearn.ca](https://canlearn.ca) for general information on government student loan programs.

### For additional information contact

**Scholarships and Student Finance**  
University of Lethbridge | 4401 University Drive W.  
Lethbridge, AB T1K 3M4  
403-329-2585 | Fax: 403-382-7110  
[fin.aid@uleth.ca](mailto:fin.aid@uleth.ca) | [ulethbridge.ca/ross/student-finance](https://ulethbridge.ca/ross/student-finance)

The University of Lethbridge was ranked as one of Canada's top-five undergraduate institutions and number one in student services in Maclean's University Rankings, 2018.

# VEGETARIAN PROGRAMS

# Faculty of Education

Applicants who have not yet completed a recognized university degree must be admitted to a five-year (50-course) combined degrees program to earn a Bachelor of Education degree.

Combined degrees programs generally consist of three years of study in the Faculty of Arts & Science, Fine Arts or Dhillon School of Business, and two years of study in the Faculty of Education. Students graduate with two degrees: a BEd in their teaching major and BA, BFA, BMus, BSc, or BMgt in a related discipline.

Students are initially admitted to a pre-Education program and must meet the following minimum qualifications for admission to the Faculty of Education:

- Completion of 14 term courses (48 credit hours). All courses must be graded, with the exception of EDUC 2500.
- Minimum cumulative GPA of 2.5 on the uLethbridge 4.0 GPA scale calculated on all courses taken within the term containing the last 14 graded courses (42 credit hours).
- Completion of a minimum number of courses in the teaching subject major. See the applicable section in Combined Degrees of the current uLethbridge Academic Calendar available online at [ulethbridge.ca/ross/academic-calendar/pdf](http://ulethbridge.ca/ross/academic-calendar/pdf).
- A minimum GPA of 2.5 on the uLethbridge 4.0 GPA scale on all graded courses comprising the major, including all transferable courses.
- Credit in Education 2500 – Orientation to Teaching (or equivalent), including a favourable recommendation from the instructor.

Transfer applicants who meet these requirements can be considered for admission directly to the combined degrees program.

For post-diploma combined degrees programs with Education, see p. 24.

## Admission GPA Requirements

(GPA Requirements by major as of September, 2017)

<b>Art Education</b>	<b>2.90</b>
<b>CTS: Business Focus</b>	<b>2.72</b>
<b>CTS: New Media Focus</b>	<b>2.72</b>
<b>Drama Education</b>	<b>2.50</b>
<b>English Language Arts</b>	<b>2.79</b>
<b>Mathematics Education</b>	<b>2.50</b>
<b>Modern Languages Education</b>	<b>2.50</b>
<b>Music Education</b>	<b>2.50</b>
<b>Native Education*</b>	<b>2.50</b>
<b>Physical Education</b>	<b>2.86</b>
<b>Science Education (Bio)</b>	<b>2.97</b>
<b>Science Education (Chem)</b>	<b>2.50</b>
<b>Science Education (Geog)</b>	<b>2.50</b>
<b>Science Education (Physics)</b>	<b>2.50</b>
<b>Social Studies Education</b>	<b>3.08</b>

**Native Education\*** Minimum of five courses in the school subject minor with GPA of at least 2.5.

Notes: uLethbridge Education 2500 students receive a boost to their admission GPA if they meet the 2.5 admission GPA requirement and are deemed "highly recommended." The posted GPAs reflect any additional boost.

Admission is competitive and GPA requirements change each year. The posted GPAs are current at the time of publication and should only be used as a guideline.

For additional admission inquiries and for further information about "special case" admission contact the office of Student Program Services in the Faculty of Education (403-329-2254 | [edu.sps@uleth.ca](mailto:edu.sps@uleth.ca)).

For details visit:

[ulethbridge.ca/education](http://ulethbridge.ca/education)

## Faculty of Arts & Science

Applicants to Bachelor of Arts or Bachelor of Science programs must meet general admission requirements. Certain programs have additional admission requirements.

### Competitive Program

BSc Environmental Science and Pre-Professional Transfer Program in Engineering are competitive programs and may require a higher admission average.

## Faculty of Fine Arts

### Bachelor of Fine Arts – Art

#### Portfolio

Applicants to the following programs must submit a portfolio:

- BFA – Art (Art Studio Majors only)
- Pre-BFA – Art/B.Ed.

Portfolio requirements are available at [ulethbridge.ca/finearts/departments/art/admissions](http://ulethbridge.ca/finearts/departments/art/admissions).

### Bachelor of Fine Arts – Dramatic Arts

#### Audition

Applicants to the BFA – Dramatic Arts (performance majors only) must successfully audition in their second year to continue in or transfer to the performance major. Audition requirements are available at [ulethbridge.ca/finearts/departments/drama/admissions](http://ulethbridge.ca/finearts/departments/drama/admissions).

### Bachelor of Fine Arts – Multidisciplinary

Applicants to the Bachelor of Fine Arts – Multidisciplinary program must meet general admission requirements. Applicants should contact an academic advisor:

[ulethbridge.ca/finearts/advising](http://ulethbridge.ca/finearts/advising).

### Bachelor of Fine Arts – Native American Art

#### Portfolio

Applicants to the BFA – Native American Art (Art Studio majors only) must submit a portfolio.

Portfolio requirements are available at [ulethbridge.ca/finearts/departments/art/admissions](http://ulethbridge.ca/finearts/departments/art/admissions).

### Bachelor of Fine Arts – New Media

#### Portfolio and Questionnaire

Applicants to the following programs must submit both a portfolio (or essay alternative) and questionnaire:

- BFA – New Media
- BFA – New Media/BMgt

Questionnaire and portfolio requirements are available at [ulethbridge.ca/finearts/departments/new-media/admissions](http://ulethbridge.ca/finearts/departments/new-media/admissions).

### Bachelor of Music

#### Audition

Applicants to the following programs must complete an audition:

- BMus (Music majors only)
- Pre-BMus/BEd degree

Audition information is available at [ulethbridge.ca/finearts/departments/music/admissions](http://ulethbridge.ca/finearts/departments/music/admissions).

#### Portfolio

Applicants to the BMus with a digital audio arts major must submit a portfolio.

Portfolio requirements are available at [ulethbridge.ca/finearts/departments/music/digital-audio-arts-requirements](http://ulethbridge.ca/finearts/departments/music/digital-audio-arts-requirements).

---

For admission requirements to post-diploma programs in the Faculty of Fine Arts, see p. 25.

# Faculty of Health Sciences

## Bachelor of Nursing

### High School Courses

Applicants must meet the following admission requirements:

- English Language Arts 30-1 (minimum 60%)
- Biology 30
- Chemistry 30
- Mathematics 30-1 or Mathematics 30-2
- Additional course (not including Special Projects)

Note: Admission is competitive and the Faculty of Health Sciences reserves the right of selection of all applicants for admission and readmission to the Faculty on the basis of academic qualifications.

### Competitive Program

Admission to the Bachelor of Nursing is competitive. Applicants are ranked according to their qualifications using the average of the grades earned in the five required courses listed above. All applicants may be invited to an interview.

### Letter of Intent

Those applying for readmission to the Bachelor of Nursing program or from another Bachelor of Nursing program must submit a letter of intent. [ulethbridge.ca/healthsciences/intent](http://ulethbridge.ca/healthsciences/intent)

### Spoken English Language Proficiency (SELP)

Applicants to the Faculty of Health Sciences must also meet the Spoken English Language Proficiency requirement (see p. 21).

## Bachelor of Nursing (After Degree)

### Prerequisite Courses

Applicants must present six credit hours in each of:

- Human Anatomy and Physiology
- Fine Arts or Humanities
- Social Sciences; and

Three credit hours in each of:

- Microbiology
- Statistics

### Competitive Program

Admission will be granted on a competitive basis using a grade point average (GPA) calculated using human anatomy and physiology, microbiology, statistics, and the terms containing the most recent additional 16 graded university-level term courses.

### Documents Required by Orientation Day of the First Year (BN and BNAD)

- Immunization record
- CPR-HCP
- Criminal Record Check (or equivalent)

## Bachelor of Health Sciences (Aboriginal Health)

### High School Courses

Applicants to the Aboriginal Health major must meet general admission requirements and include the following:

- English Language Arts 30-1
- Biology 30
- Mathematics 30-1 or Mathematics 30-2

## Bachelor of Health Sciences (Addictions Counselling)

### High School Courses

Applicants to the addictions counselling major must meet general admission requirements and submit an Admissions Statement to the Admissions Office.

- English Language Arts 30-1

### Admission Statement

Applicants must submit an admission statement to the Admissions Office by **June 15** using the form available at [ulethbridge.ca/healthsciences/statement](http://ulethbridge.ca/healthsciences/statement).

## Bachelor of Health Sciences (Public Health)

### High School Courses

Applicants to the public health major in the BHSc and BHSc/BMgt must meet general admission requirements and include the following:

- English Language Arts 30-1
- Biology 30
- Chemistry 30
- Mathematics 30-1 or Mathematics 30-2

### Post-Diploma Admission

For admission requirements to post-diploma programs in the Faculty of Health Sciences, see p. 25.

**Nursing students gain exceptional hands-on learning in the Simulation Health Centre. The lifelike mannequins are extraordinary – they simulate giving birth, have heart attacks, and even respond to medication – allowing students to practice their skills and critical decision making in a safe and interactive way.**

## Dhillon School of Business

### Admission

#### High School Courses

- Mathematics 30-1 or Mathematics 30-2 (uLethbridge's MATH 0500 is accepted)

For quantitative majors, Mathematics 30-1 or equivalent must be presented. For non-quantitative majors, Mathematics 30-2 is also accepted (see p. 4).

For admission requirements to Post-Diploma Bachelor of Management programs, see p. 25.

### Competitive Programs

Admission to all majors in the BMgt, Post-Diploma BMgt, Professional Diploma in Accounting, and Management Certificate programs is competitive. Admission to the BMgt.as a Second Degree and the Professional Diploma in Accounting is based on completion of an undergraduate degree with a GPA of no less than 2.0 (on the uLethbridge 4.0 GPA scale).

---

## Two Campuses to Choose From

**Students have the flexibility of completing their degrees on our campuses in Lethbridge or Calgary.**

#### Lethbridge Campus

Students can pursue all programs and majors.

#### Calgary Campus

Calgary Campus serves adult learners who may be in the workforce wanting to further their education. Classes are offered in the evenings and on weekends so students can continue to work while they earn their degrees. Students can pursue the following:

- BMgt
- Post-Diploma BMgt
- Second degree in Management
- Professional Diploma in Accounting
- Management Certificates
- MSc (Management)
- Post-Diploma Bachelor of Health Sciences

Combined degrees programs (BA/BMgt, BSc/BMgt, BMgt/BEd, Post-Diploma BMgt/BEd, BFA – New Media/BMgt, and BHSc/BMgt) cannot be completed in their entirety on the Calgary Campus, and all combined degrees applicants will be assigned to the Lethbridge Campus.

For information on specific majors and minors available at the Calgary Campus, please see the uLethbridge Academic Calendar [ulethbridge.ca/ross/academic-calendar/part11.pdf](http://ulethbridge.ca/ross/academic-calendar/part11.pdf).

Students from Calgary who attend classes on the Lethbridge Campus, may wish to take courses on our Calgary Campus when they return for the summer break. We offer a wide variety of courses in a number of subject areas. It's a way for students to ensure they stay on track (or get ahead) with their program.

#### Lethbridge Campus

403-329-2153 | [dhillon.advising@uleth.ca](mailto:dhillon.advising@uleth.ca)

#### Calgary Campus

403-571-3360 | [calgary.campus@uleth.ca](mailto:calgary.campus@uleth.ca)

#### CPA Bridging

The Dhillon School of Business, with the support of the Chartered Accountants Education Foundation of Alberta, offers CPA Bridging at both uLethbridge campuses. CPA Bridging helps students transition into a career as a Chartered Professional Accountant with any baccalaureate-degree, no matter the discipline. Students who complete the program will meet the entrance requirements to the CPA Professional Education Program (PEP).

# POST-DIPLOMA PROGRAMS

## About Post-Diploma Programs

Each post-diploma program is designed to build on the foundation obtained through the applicant's diploma program, while addressing the needs for core academic skills in the subject area. Post-diploma degree programs are typically 20 term courses in length and are composed of selected courses in the major subject and related disciplines, as well as courses to meet the Liberal Education List Requirement.

## Approved Diplomas

For current information on approved diploma programs, see [ulethbridge.ca/postdiploma](http://ulethbridge.ca/postdiploma). Diploma programs not previously approved will be considered for admission on a case-by-case basis. Contact the uLethbridge Admissions Office for more information.

## General Admission

Holders of two- or three-year diplomas from recognized institutions, where the program has sufficient academic content and the diploma GPA is 2.0 or higher, will be considered for general admission to a transfer program in the Faculty of Arts & Science, Dhillon School of Business, Health Sciences, or Fine Arts. Please note that GPA criteria will vary for particular programs and are subject to change. All GPAs are expressed on the uLethbridge 4.0 GPA scale.

## Faculty of Arts & Science

### Post-Diploma Bachelor of Arts and Bachelor of Science (Agricultural Studies)

Applicants with approved two-year college diplomas in agriculture and a diploma GPA of 2.5 or higher are eligible for admission to 20-course programs leading to either a Bachelor of Arts or a Bachelor of Science with a major in Agricultural Studies. Applicants with diploma GPAs between 2.0 and 2.49 will be considered on an individual basis.

### Post-Diploma Bachelor of Science (Computer Science)

Applicants with approved two-year college diplomas in computer systems technology or computer information technology programs, and a diploma GPA of 2.5 or higher are eligible for admission. Applicants with diploma GPAs between 2.0 and 2.49 will be considered on an individual basis.

### Post-Diploma Bachelor of Science (Environmental Science)

Applicants with approved two-year college diplomas in environmental science or a related area and a diploma GPA of 2.75 or higher are eligible for admission. Applicants with diploma GPAs between 2.0 and 2.74 and related work experience will be considered on an individual basis. Submission of a resume is required.

### Post-Diploma Bachelor of Science (Geography With a Concentration in Geographical Information Science)

Applicants with an approved college diploma in geography, geomatics or land resource information systems, and a diploma GPA of 2.5 or higher are eligible for admission. Applicants with diploma GPAs between 2.0 and 2.49 will be considered on an individual basis.

## Faculty of Education

### Post-Diploma Bachelor of Fine Arts – Art or Dramatic Arts or Bachelor of Music/ Bachelor of Education

Applicants with an approved two- or three-year college diploma in art, drama, or music with a GPA of 2.5 or higher and a satisfactory portfolio, audition, and/or interview may be admitted to a post-diploma combined degrees program. See Post-Diploma Bachelor of Fine Arts and Bachelor of Music.

### Post-Diploma Bachelor of Management/ Bachelor of Education

Applicants with an approved college diploma in business administration or management, and a GPA at or above the current admission cut-off may be admitted to a post-diploma combined degrees program. Students begin the program classified as pre-Post-Diploma BMgt/BEEd. See Post-Diploma Bachelor of Management.

## Faculty of Fine Arts

### Post-Diploma Bachelor of Fine Arts or Post-Diploma Bachelor of Music

Applicants with approved diplomas from recognized colleges, a diploma GPA of 2.5 or higher, and a satisfactory portfolio, audition and/or interview, may be admitted to post-diploma degree programs leading to the following degrees:

- BFA – Art
- BFA – Dramatic Arts
- BFA – Multidisciplinary
- BMus
- Combined degrees including the BEd degree

There are programs available for graduates of both two- and three-year diploma programs.

#### Applicants to the following programs must submit a portfolio:

- Post-Diploma BFA – Art (Art Studio Majors only)
- Pre-Post-Diploma BFA – Art/BEd

Portfolio requirements are available at [ulethbridge.ca/finearts/departments/art/admissions](http://ulethbridge.ca/finearts/departments/art/admissions).

#### Applicants to the following programs must submit a portfolio and/or arrange for an audition/interview:

- Post-Diploma BFA – Dramatic Arts (Technical/ Design majors) must submit a portfolio.
- Post-Diploma BFA – Dramatic Arts (Performance majors) only must submit a portfolio and arrange an audition/interview.
- Pre-Post-Diploma BFA – Dramatic Arts/BEd must submit a portfolio.

Portfolio and audition/interview requirements are available at [ulethbridge.ca/finearts/departments/drama/admissions](http://ulethbridge.ca/finearts/departments/drama/admissions).

#### Applicants to the following programs must audition:

- Post-Diploma BMus
- Pre-Post-Diploma BMus/BEd

Audition information and application requirements are available at [ulethbridge.ca/finearts/departments/music/admissions](http://ulethbridge.ca/finearts/departments/music/admissions).

## Faculty of Health Sciences

### Post-Diploma Bachelor of Health Sciences (Addictions Counselling & Public Health)

Only applicants with approved diplomas in addictions counselling or related areas, and a diploma GPA of 3.0 or higher will be considered. Applicants with extensive practical experience in the field and a GPA below 3.0 will be considered individually.

### Bachelor of Therapeutic Recreation

Enrolment is limited and fulfilment of the minimum academic admission requirements does not guarantee admission. The Faculty of Health Sciences reserves the right of selection of all students for admission and readmission based on admission grade point average. Applicants with an approved degree or diploma will be considered.

## Dhillon School of Business

### Post-Diploma Bachelor of Management (20 Course)

Applicants who have completed an approved diploma in business administration or management with a cumulative program GPA of 3.0 or higher are guaranteed admission to the Post-Diploma Bachelor of Management Degree (20 course). Applicants with a diploma GPA below 3.0 may be admitted in the second round of admissions.

See [ulethbridge.ca/postdiploma](http://ulethbridge.ca/postdiploma) for a list of approved diploma programs. Additional transfer credit is not considered for these programs.

**Note:** Some students may be required to extend their programs beyond 20 courses, depending on the diploma completed and the major chosen. Contact an academic advisor for details.

### Post-Diploma Bachelor of Management (25 Course)

An applicant may gain admission to the Post-Diploma Bachelor of Management Degree (25 course) program by completing an approved diploma with a cumulative program GPA at or above the 3.0 guaranteed admission. Students should consult with an academic advisor and see [ulethbridge.ca/postdiploma](http://ulethbridge.ca/postdiploma) for information on specific diplomas.

**Note:** Only the general management major may be completed in 25 courses. Students in all other majors will require additional courses to complete the requirements of the major.

# HOW TO APPLY FOR ADMISSION

## Applying to uLethbridge is as easy as one, two, three...

To apply to uLethbridge, students must create an ApplyAlberta account before completing their uLethbridge application. Applicants can access the application from our website [ulethbridge.ca/future-student](http://ulethbridge.ca/future-student) as well as at [applyalberta.ca](http://applyalberta.ca).

---

1

Complete online application form at [ulethbridge.ca/future-student](http://ulethbridge.ca/future-student)

2

High school applicants: Published Grade 11 grades will be used to determine conditional admission to uLethbridge. Final Grade 12 grades will be reviewed and must meet admission requirements prior to the appropriate document deadlines.

3

Include valid credit card information for payment of the application fee

## Student Application Fee

The application fee for admission to an undergraduate program is \$100 for applicants with Canadian transcripts and \$140 for applicants submitting international transcripts. Subsequent applications for admission to a level of study are assessed an application fee of \$25.

## Conditional Admission

Conditional admission decisions may be made on the basis of published Grade 11 grades (high school applicants), transcripts and/or mid-term mark statements (for courses in progress) received by the Admission decision document deadline. Applicants offered conditional admission must meet or exceed the admission standards of their program by the final document deadline.

## Official Documents

Through ApplyAlberta, applicants authorize uLethbridge to request transcripts on their behalf from Alberta Education and/or participating post-secondary institutions in Alberta. Applicants attending institutions not participating in ApplyAlberta or any educational institution out-of-province must arrange to have official transcripts sent directly to the Admissions Office.

Applicants currently studying at institutions not participating in ApplyAlberta or any educational institution out-of-province are strongly advised to arrange, at the time of application, for the submission of interim transcripts if required final transcripts are not yet available. Final, official transcripts must be submitted on or before the final document deadline.

Visit [applyalberta.ca](http://applyalberta.ca) for more information.

## Education Combined Degrees Programs

Applicants may not apply directly into the Faculty of Education from high school. Interested applicants should initially apply to a pre-Bachelor of Education Combined Degrees program (pre-BA/BEEd, pre-BSc/BEEd, pre-BFA/BEEd, pre-BMus/BEEd, pre-BMgt/BEEd).

# From Application to Registration

## 1 Applicants, upon submitting an application, receive notification via email of their:

- Nine-digit uLethbridge student identification number
- Information regarding the application for scholarships

**uLethbridge ID Number** | Students need this nine-digit number to log on to the Bridge for the first time and set up their uLethbridge username and password.

## 2 Applicants should notify us immediately if their contact information changes. Log on to the Bridge ([bridge.uleth.ca](https://bridge.uleth.ca)), email [admissions@uleth.ca](mailto:admissions@uleth.ca), or fax 403-329-5159. We send important information by email so it is important for applicants to check their accounts regularly.

## 3 Applicants can check their application status, including required documents, at any time by logging on to the Bridge ([bridge.uleth.ca](https://bridge.uleth.ca)).

## 4 An applicant offered admission receives an online offer, followed by a mailed Admission Guide, followed by registration information once it is available.

**Program Planning Guides (PPGs)** | The program planning guides list all required courses and include a suggested sequence plan. These guides are available online at [ulethbridge.ca/ross/ppgs](https://ulethbridge.ca/ross/ppgs).

## The Bridge [bridge.uleth.ca](https://bridge.uleth.ca)

### uLethbridge's web information system where students can:

- View admission status
- Register for courses
- View class schedule
- Access T2202A tax form
- View cash office account summary (check tuition and fees owing and/or paid)
- View examination schedules
- View any holds on registration (registration privileges will be withheld if there are outstanding fees, including the current term's fees)
- View final grades
- View working copy transcript
- View or update personal information
- Apply for scholarships

**5 Applicants must complete the Confirmation of Admission online, or submit the form with the non-refundable tuition deposit before the expiry date identified in the Offer of Admission.**

**Expiry Date** | Applicants must submit their Confirmation of Admission by the expiry date. If more time is needed, applicants should contact the Admissions Office to determine next steps ([admissions@uleth.ca](mailto:admissions@uleth.ca) | 403-382-7134).

**Confirmation of Admission** | Applicants need to confirm online through the Bridge and send this form back to the Admissions Office (signed and dated) to let us know whether or not they plan to attend uLethbridge. If they plan to attend, a \$200 tuition deposit MUST accompany this form. Note: This deposit is in addition to the application fee that has already been paid and is non-refundable.

**6 Students register in courses online, starting on their registration date, using the Bridge ([bridge.uleth.ca](http://bridge.uleth.ca)).**

**Timeframe** | Registration for the fall term typically starts during the end of April. Students who have been offered admission will normally receive registration information from us by email in mid-April. A student can register on or after their assigned date, but earlier registration is better for course selection.

**Liberal Education List Requirement** | All uLethbridge students must complete the Liberal Education List Requirement. This involves taking at least four courses from three different areas: fine arts and humanities, social sciences, and sciences. The required courses in a student's program typically fulfill some of this requirement, so the program planning guide, timetable, and uLethbridge Academic Calendar should be used to determine which additional courses should be taken. Refer to the current uLethbridge Calendar at the end of School of Liberal Education for more information. The Academic Calendar is available online ([ulethbridge.ca/ross/academic-calendar](http://ulethbridge.ca/ross/academic-calendar)).

**Registration Date** | This is the first day students can log on to the Bridge to add courses to their class schedule. Registration continues until the end of the first week of classes.

### **ULink**

ULink is our student portal. Students will use their campus username and password to log in to ULink as well as many other important tools at uLethbridge, including the Bridge, email, library account and Moodle.

#### **If you need to help a student setup a Campus Login:**

They need their nine-digit uLethbridge ID number (from their offer of admission) available.

Go to [ulink.ulethbridge.ca](http://ulink.ulethbridge.ca) for login set-up.

Follow the steps to select a username, password and security questions.

# INTERNATIONAL STUDENTS

All applicants must present qualifications comparable to those of Canadian applicants:

- Applicants with completed, appropriate secondary qualifications from other countries will be considered for High School admission.
- To ensure success in academic study, all applicants, regardless of citizenship or country of origin, must meet the English language proficiency (ELP) requirements through recognized study or a valid standardized test score.
- Studies completed at recognized universities and colleges will be considered for Post-Secondary admission, as appropriate.
- Applicants currently completing courses at Canadian High schools may be considered for early admission on the basis of final Grade 11 grades. For this purpose, the applicant will provide final grades for grade 11 and Grade 12 courses already completed.

Details on high school admission requirements for specific countries are available online at [ulethbridge.ca/ross/admission-information/intl/intreq](http://ulethbridge.ca/ross/admission-information/intl/intreq).

## International Office

- Offers support to international students in all aspects of campus life; as a student and a visitor to our country
- Administers uLethbridge's English for Academic Purposes (EAP) program
- Provides information about international exchange and study-abroad opportunities

Visit our websites at [ulethbridge.ca/future-student](http://ulethbridge.ca/future-student), [ulethbridge.ca/international](http://ulethbridge.ca/international) or contact us at [international@uleth.ca](mailto:international@uleth.ca) or 403-329-2053.

# HOUSING

## On-campus Housing

The University of Lethbridge offers a wide variety of on-campus living options, from single rooms to shared apartments.

Students who join us direct from high school or who take less than one year off between high school and university are considered New University students.

New students can apply online to stay in traditional-style dorms in University Hall (UHall), or one-, two- or four-bedroom apartments in Aperture Park. These are fully furnished with a bed (with captain's storage space), a desk and storage for clothing. Satellite television, wireless internet and all utilities are included. They also include common areas where students can meet up with friends, play video games, watch movies and unwind.

New students living in residence are required to purchase a dining plan, as they may be living away from home for the first time. This ensures first-year students have access to nutritious food with minimal effort.

[ulethbridge.ca/housing](http://ulethbridge.ca/housing)  
[housing@uleth.ca](mailto:housing@uleth.ca)  
403-329-2584

## Housing Deadlines

Students are advised to apply as early as possible to improve their chances for accommodation. Newly admitted applicants, who apply before April 1, will have their names entered into an accommodation lottery. Approximately 75% of the allocated beds will be randomly selected. The names drawn will be guaranteed accommodation prior to May 15.

## Off-campus Housing

To help students who choose to live off campus, uLethbridge maintains an off-campus housing registry that provides a range of off-campus housing opportunities such as room and board, shared suites and apartments available for rent in the Lethbridge area. This list has excellent community support and is frequently updated. The list may be accessed online or received via fax, mail or email.

[ulethbridge.ca/offcampushousing](http://ulethbridge.ca/offcampushousing)  
[offcampus.housing@uleth.ca](mailto:offcampus.housing@uleth.ca)  
403-329-2092

# Counsellor Resources

**We know you go above and beyond when helping students through the post-secondary decision-making process.**

We will assist you in your efforts in any way we can. Know that you and your students may contact us at any time and we will do our best to help.

## Sign up online

If you would like to stay up-to-date about issues affecting you and your students, email [inquiries@uleth.ca](mailto:inquiries@uleth.ca) to be added to our counsellor listserv. We will send you important admission and program updates, counsellor newsletters, and invitations to upcoming uLethbridge counsellor events.

## Request a presentation at your school

Our recruiters hit the road each September. Send us a request to visit your school and we will try our best to make it happen. There are some situations when it is not possible to visit in-person, but we can explore other solutions such as a Skype presentation or webinar.

## Schedule a day when your school can visit us

If you have a date in mind to bring your students to visit our campus, let us know and we will schedule a day full of fun activities, including a tour of campus and free lunch!

## Request material

We can send our resource publications and student handouts to your school at any time. Simply contact us with your address and the requested number of each type of publication.

- Future Student Viewbook
- Counsellor Resource Guide

# Student Services

## Accommodated Learning Centre

The Accommodated Learning Centre can support student requests for special testing or registration procedures once their disability has been documented. They can also guide students to local services or agencies which may be of assistance. Special equipment or specialized services frequently must be funded through agencies outside uLethbridge. Questions regarding physical access may also be brought to the Accommodated Learning Centre staff who will then direct students to the appropriate uLethbridge office or personnel.

403-329-2766  
[alc@uleth.ca](mailto:alc@uleth.ca)  
[ulethbridge.ca/ross/accommodated-learning-centre](http://ulethbridge.ca/ross/accommodated-learning-centre)

## Counselling and Career Services

Counselling and Career Services offers free counselling to students in two areas: career development and personal growth. Individual counselling is confidential and can help students with a variety of personal issues including: adjusting to university life, anxiety, disordered eating, relationship issues and much more.

403-317-2845  
[ulethbridge.ca/counselling](http://ulethbridge.ca/counselling)

## Enrolment Services

The Enrolment Services Office provides information to prospective students, their families, and high school and college guidance counsellors on all aspects of university and student life. This includes information about programs, admission requirements, tuition fees, scholarship and research opportunities, on- and off-campus housing, and student services. Enrolment Services also organizes events and activities to help students make the transition to university life and celebrate their success, including Ahead of the Herd, New Student Orientation and Convocation.

403-329-2762  
[inquiries@uleth.ca](mailto:inquiries@uleth.ca)  
[ulethbridge.ca/future-student](http://ulethbridge.ca/future-student)

## Indigenous Student Services

First Nations, Métis and Inuit Student Services is located in Ikaisskini (Low Horn) Indigenous Gathering Place. This is a free, confidential service for students who self-identify as First Nations, Métis, or Inuit. The primary role of this service is to guide, encourage and empower students in the university environment so that they may achieve their highest potential.

403-394-3902  
[fnmiss@uleth.ca](mailto:fnmiss@uleth.ca)  
[ulethbridge.ca/first-nations-metis-inuit](http://ulethbridge.ca/first-nations-metis-inuit)

## Registrar's Office

This is the centre of a student's academic journey on campus. The Registrar's Office serves students in a number of ways including: admissions, course registration, timetabling, student records, academic calendar, transcripts and more.

403-320-5700  
[ulethbridge.ca/ross](http://ulethbridge.ca/ross)

## Security Services

uLethbridge is committed to providing a safe living, learning and working environment. Security Services are available 24 hours a day, 7 days a week, and offer programs such as Safewalk, which offers escorts from anywhere to anywhere on campus, and a free key tag program that facilitates the return of lost keys.

403-329-2603  
[ulethbridge.ca/security](http://ulethbridge.ca/security)

## Student Success Centre

The Student Success Centre (SSC) offers professional services designed to support you as you work toward your academic and personal goals. Develop your study and time-management skills, find a tutor and get connected with supports and resources available to help you achieve success in learning and in life. SSC also coordinates events to help students achieve mental, emotional and physical well-being.

# Academic Advising

Advising (or Student Program Services) offices are available to assist students with program planning. Academic advisors are typically available for walk-in and appointment times. Students should consult with an advisor regarding academic regulations, course selection, and program planning. Newly admitted high school students may also contact Enrolment Services with general questions.
