

General Liberal Education Requirement (GLER)

A Post-Diploma program must include 10 Arts and Science or Fine Arts courses, eight of which are required to meet a modified General Liberal Education Requirement (refer to the 2010/2011 University of Lethbridge Calendar, p. 85) as follows:

- Four courses from List I - Fine Arts and Humanities
- Two courses from List II - Social Science
- Two courses from List III - Science

Minimum Grade Requirement

A minimum grade of 'C-' is required in Statistics 1770; Writing 1000 OR a university English course; and all Management courses in order to meet degree requirements.

Note: Students who take Economics 1010 and/or Economics 1012 as part of their degree requirements must achieve a minimum grade of 'C-'.

Residence Requirement

20 courses

Note: Courses taken as part of the Qualifying Program cannot be counted toward the residence requirement.

Repeated Courses

You are allowed to repeat a course only once. Only your second attempt will be counted toward your degree. Students who have repeated a course must submit a 'Repeated Course Form' (available at the Registrar's Office and Student Services [ROSS]).

Below is a suggested sequence plan for the Post-Diploma B.Mgt. Information Systems program.

Prerequisites and corequisites as of 2010/2011 are given in parentheses below each applicable course; where more than one prerequisite/corequisite is required, items are separated by semi-colons. Check the current Calendar/Timetable for current prerequisites and corequisites.

Year 3 Semester I

| |
|--|
| CPSC 1620 - Fundamentals of Programming I (Science) (PREREQS: One of Pure MATH 30 or MATH 30 ¹) |
| MGT 3061 - Information Systems and Management (PREREQS: MGT 2030; MGT 2060) |
| STAT 1770 - Introduction to Probability and Statistics (Science) (PREREQS: One of Pure MATH 30 or MATH 30 ¹) |
| One of: WRIT 1000 or a university English course (Fine Arts & Humanities) |
| MGT 3830 - Contemporary Database Applications (COREQS: One of CPSC 1620 or MGT 3061) |

Semester II

| |
|---|
| One of: ECON 2900 - Economics and Business Statistics (PREREQS: STAT 1770; One of ECON 1010 or ECON 1012) STAT 2780 - Statistical Inference (Science) (PREREQS: STAT 1770) |
| MGT 3031 - Managing Responsibly in a Global Environment (PREREQS: One of WRIT 1000 or a university English course) |
| MGT 3821 - Visual Programming Applications (PREREQS: CPSC 1620) |
| Fine Arts & Humanities Course |
| Social Science Course |

Year 4 Semester I

| |
|--|
| MGT 3050/POLI 3420 - Human Resource Management (Social Science) (PREREQS: One of WRIT 1000 or a university English course) |
| MGT 3822 - Object-Oriented Programming for Web Applications (PREREQS: MGT 3821) |
| MGT 4380 - Management Issues in Information Systems (PREREQS: MGT 3061; MGT 3830) |
| MGT 4840 - Systems Analysis (PREREQS: MGT 3830; 4th-year standing) |
| Fine Arts & Humanities Course |

Semester II

| |
|--|
| MGT 2070/ECON 2070 - Operations and Quantitative Management (Science) (PREREQS: STAT 1770; One of MGT 2060 or CPSC 1000) |
| MGT 4090 - Management Policy and Strategy (PREREQS: 4th-year standing; MGT 3031; MGT 3050/POLI 3420; MGT 3061) |
| MGT 4841 - Systems Design (PREREQS: MGT 3821; MGT 4840) |
| MGT Elective - 3000/4000 level |
| Fine Arts & Humanities Course |

Notes

IMPORTANT: Prerequisites and corequisites are subject to change annually. Consult the current Calendar or Timetable.

You are required to meet all prerequisites for individual courses in the Post-Diploma program. You are strongly cautioned to meet all prerequisites in your chosen major. If the major selected is different from that in your college diploma program, be aware that you may lack the prerequisites. For further information, please refer to the 2010/2011 University of Lethbridge Calendar (Part 15 - Courses) or consult the Management Undergraduate Programs Office (E480; tel. 403-329-2153).

1. Instead of Pure Mathematics 30 or Mathematics 30, students may use UofL's Mathematics 0500, or both Applied Mathematics 30 and a minimum grade of 75% in Athabasca University's Mathematics 101.

Sequencing

Courses in this major may not be offered every semester. Students should consult current timetables. Students may opt to take Summer Session courses which may reduce the overall length of time required to complete the degree. Sequencing of courses will vary for part-time students.
