About the Supply Chain Management Minor

A minor in Supply Chain Management is available as an adjunct to all majors in the Bachelor of Management degree, Post-Diploma Bachelor of Management degree, Professional Diploma in Accounting, Management Certificate, B.A./B.Mgt., B.Sc./B.Mgt., B.Mgt./B.Ed., Post-Diploma B.Mgt./B.Ed., and second degrees in Management. In some cases, achievement of the minor and a chosen major will require a student to take extra courses. For students who complete all the requirements, the minor in Supply Chain Management will be acknowledged on the official transcript (see Part 11 - Faculty of Management in the 2011/2012 Calendar).

Why Complete a Supply Chain Management Minor?

The objective of this minor is to give Management students an opportunity to learn about operations—one of the core functional areas of any business. Courses within this minor will be focused to enable downstream professional accreditation such as the Association for Operations Management (APICS), Certified Supply Chain Professional (CSCP), and/or Certified in Production and Inventory Management (CPIM).

Minimum Grade Requirement

A minimum grade of 'C-' is required in all courses taken towards the Supply Chain Management Minor.
