Calendar Year: 2012/2013

Faculty: Arts & Science

Modern Languages Programs

The Department of Modern Languages offers four majors for the B.A. degree program: French, German, French/German, and French/Spanish. In addition to majors, the Modern Languages Department offers five minors, available for the B.A., B.Sc., or B.A.Sc. degree programs: French, German, Japanese, Linguistics, and Spanish. Students may also complete a B.A./B.Ed. Combined Degrees program with a Modern Languages major and a B.A./B.Ed. or B.Sc./B.Ed program with a Modern Languages Education minor. Please refer to the University of Lethbridge Calendar for more information.

Consult With the Department Advisor

Students requiring advice on the majors or minors offered by the Department of Modern Languages are strongly encouraged to consult with the Department Advisor as early as possible in their first two years of study.

Off-Campus Study and Scholarships

Faculty of Arts and Science German majors are required to participate in the German Visiting Student Program (GVSP). Further information on this program may be obtained from the German Off-Campus Studies Coordinator in the Department. Scholarships of interest to students studying off campus include the Louis Sherman Turcotte Memorial Travel Scholarships. Further information on these awards may be found in the University of Lethbridge Calendar or at the Scholarships and Student Finance Office.

Book Prizes

Each Spring the Swiss and German Embassies provide to the Department of Modern Languages two German books that are traditionally awarded to students performing well in German courses. Recipients of the book prizes are normally continuing students either in Modern Languages or Education. No applications are required.

Independent Study Opportunities

Students interested in undertaking an Independent Study in the Department of Modern Languages should consult with an instructor of their choice.

Co-operative Education

A Co-op option, requiring three work terms, is available. Students interested in the Co-operative Education/Internship program should contact the Coordinator of Co-operative Education in the Career Resources Centre (AH154 | phone: 403-382-7154) for further information.

Department of Modern Languages Placement Policy

Placement Test	Students will enrol in courses for which they have the prerequisite listed in the Calendar. However, in order to confirm their enrolment in 1000-level language courses (1000, 1100 or 1500) in French, German, Japanese, or Spanish, students must satisfy the requirements of a compulsory Placement Test. This test is administered at the first class meeting of these courses each semester. For further information on the Placement Test, students should read the Department's Placement Policy, available from the Department Advisor or from the Department Administrative Assistant. Students may also consult with the French, German, Japanese, or Spanish Language Coordinator if they have further questions.
Advanced Standing	As a general rule, the Department of Modern Languages does not permit students to register in courses for which they do not have the prerequisites listed in the Calendar. However, students who think that they have adequate background to do well in a course without the prerequisite may apply to the Department for a waiver of prerequisite.
Advanced Placement Exam	The Advanced Placement Exam is used to assess the knowledge of students who wish to enrol in French, German, Japanese, or Spanish 1100-, 1500- or 2000-level courses without the formal prerequisites. For information on the Advanced Placement Exam, students should read the Department's Placement Policy, available from the Department Advisor or the Department Administrative Assistant. Students may consult with the French, German, Japanese, or Spanish Language Coordinator if they have further questions.
Assessing Preparedness	Students wishing to enrol in a 3000- or 4000-level course without the official prerequisite should have their preparedness for the course assessed through an interview with the course instructor.
Prerequisite Waiver Forms	Application forms for prerequisite waivers may be obtained from the Department Administrative Assistant, from instructors or from the Department Advisor. A waiver of prerequisite is not granted until these forms are signed by both the appropriate instructor and the Department Chair. The signed forms must be presented at the Arts and Science Student Program Services Office (SU060) at the time of registration.
Program Requirements	The B.A. degree with a major in German requires 40 semester courses, including a minimum of 13 courses in the major. A maximum of 20 courses in German is allowed.
Transfer Credit	Remember that you may use both University of Lethbridge credit and credit transferred from another college or university to meet degree and major requirements. Transfer credit may be either specified or unspecified. Specified credit is indicated on your transcript by the subject name and the specific number of the course, e.g., German 1000, 2300, etc. Unspecified credit (1XXX, 2XXX, etc.) is indicated by the subject name and level of the course in parentheses, e.g., German (1000 level), German (2000 level), etc.
Unspecified Course Credit	Unspecified course credit means that the University of Lethbridge does not offer the same course you transferred in, but we recognize it and treat it as a regular course. An unspecified course would count as one of your maximum of 20 from one department, but it could not meet a specific course requirement. For example, if German 1500 is required in your program, you could not use German (1000 level) to fulfill that requirement. Students with unspecified transfer credit need to consult an Academic Advisor to establish how the transfer credit fits in the degree program. This should be done as soon as possible after transfer credit is awarded.

Terms Used

GLER course: A course that could count toward the General Liberal Education Requirement. You may use courses in your major towards this 12-course requirement. See the 2012/2013 University of Lethbridge Calendar, Part 4 - Academic Regulations (p. 89) for complete information.

The Faculty of Arts and Science offers Liberal Education 1000 and 2000, specifically designed to introduce first-year students to the wide scope of human knowledge and teach essential university success skills, critical thinking, and integrative thinking (see the 2012/2013 University of Lethbridge Calendar, Part 14 - Courses, p. 312). LBED 1000 and 2000 may be used toward satisfying the GLER.

Elective: A course that you may choose freely from all those available and applicable to your program. Use courses inside or outside your major, bearing in mind any restrictions that may apply (e.g., a maximum of 20 courses from any one department).
