# Calendar Year: 2012/2013 Faculty: Arts & Science

ID:\_\_\_

About the Department of Kinesiology and Physical Education	The Department of Kinesiology and Physical Education offers courses in theoretical perspectives of the study of human movement and the practical application of physical activity involvement. A multidisciplinary field, Kinesiology provides students with a broad perspective for studying physical activity as a cultural form and human performance involvement at all levels and across the lifespan. The concept of personal wellness underlies the interdisciplinary approach to courses and programs within the Department. The Department of Kinesiology and Physical Education at the University of Lethbridge offers instruction leading to a Bachelor of Arts (B.A.) or a Bachelor of Science (B.Sc.) degree with a major in Kinesiology. The Department also offers a multidisciplinary major in Exercise Science for the B.Sc. which provides students the option of specialization in Biomechanics, Exercise Physiology, or Sport/Exercise Psychology.			
About the Major in Kinesiology for the B.Sc.	the human perform the primary empha that accompany ph Kinesiology provid	nance aspensis is the system of the system o	Sc. (Kinesiology) degree will take a broad range of courses that focus upon ects of Kinesiology. Required courses provide an overview of the discipline, but development, function and changing physical and psychological parameters vity involvement at all levels and throughout the lifespan. The B.Sc. in foundation in the study of the anatomical, mechanical, and physiological personal achievement in sport and physical activity.

		Bach	nelor of Science - Kinesiology Calendar Year - 2012/2013			
Program Requirements Transfer Credit Unspecified Course Credit		ments	The B.Sc. degree with a major in Kinesiology requires 40 semester courses, including a minimum of 17 courses for the major (10 Kinesiology, four cognates and six Physical Activity). The Department of Kinesiology and Physical Education offers both Kinesiology and Physical Activity courses. Courses in both subject areas are required in the major. Physical Activity courses count as 1.5 credit hours. A maximum of 20 Kinesiology courses (60.0 credit hours, including Physical Activities) is allowed Remember that you may use both University of Lethbridge credit and credit transferred from another college or university to meet degree and major requirements. Transfer credit may be either specified or unspecified. Specified credit is indicated on your transcript by the subject name and the specific number of the course, e.g., Kinesiology 1000, Kinesiology 2200, etc. Unspecified credit (1XXX, 2XXX, etc.) is indicated by the subject name and level of the course in parentheses, e.g., Kinesiology (1000 level), Kinesiology (2000 level).			
		se Credit	Unspecified course credit means that the University of Lethbridge does not offer the same course you transferred in, but w recognize it and treat it as a regular course. An unspecified course would count as one of your maximum of 20 from one department, but it could not meet a specific course requirement. For example, if Kinesiology 2130 is required in your program, you could not use Kinesiology (2000 level) to fulfill that requirement. Students with unspecified transfer credit need to consult an Academic Advisor to establish how the transfer credit fits in the degree program. This should be done a soon as possible after transfer credit is awarded.			
Prograr	n Wo	orksheet				
Name:			ID:			
Required	course	s:				
Ten theory						
	1.		1000 - Wellness and Physical Activity			
	2.	Kinesiology 2200 - Research Methodologies in Physical Activity Involvement				
	3.	Kinesiology	Kinesiology 2600 - Functional Human Anatomy			
	4.	Kinesiology 2610 - Human Physiology				
	5.	Kinesiology 3610 - Exercise Physiology				
	6.	Kinesiology 3630 - Growth, Development and Aging				
	7.	Kinesiology 3650 - Biomechanics				
	8.	One of:				
		K	inesiology 2130 - Humanities Dimensions of Physical Activity Involvement			
			Cinesiology 2140 - Psychological Dimensions of Physical Activity Involvement			
			Cinesiology 2150 - Sociological Dimensions of Physical Activity Involvement Cinesiology 3640 - Culture of Physical Activity			
	9.		blogy course at the 4000 level:			
	10.	One additional Kinesiology course at the 3000/4000 level:				
<b>Required</b>	rognat					
-	11.		0 - Cellular Basis of Life			
	12.	One of:				
			Chemistry 1110 - Chemistry for Life Sciences I			
			Physics 1000 - Introduction to Physics I OR Physics 1050 - Introduction to Biophysics			
13-	-14.	Two of:				
		0	One course in introductory statistics (Psychology 2030 - Methods and Statistics** or Sociology 2130 - Social Statistics** or Statistics 1770 - Introduction to Probability and Statistics)			
		0	One course in Mathematics (at the 1000 level or higher)			

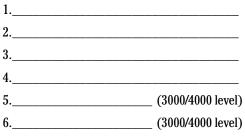

\_\_\_\_\_ One course in Computer Science

\*Has prerequisite.

2

#### Six Physical Activity courses (PHAC) - Each PHAC is worth 1.5 credits (a half course):

Students must complete a minimum of SIX PHACs, including two at the 3000 level or above.

Note: Kinesiology majors may earn credit for a maximum of 16 Physical Activity courses.

## **Sample Sequencing Plan**

Shown below is a sample sequence of courses for your degree. If you follow this plan, you should be able to graduate in four years, provided you complete five courses per semester. This is just one example of how you could complete your major and degree requirements; you may find that a different sequence works as well as this one.

#### Year 1, Fall

Kinesiology 1000 GLER course GLER course GLER course GLER course

#### Year 2, Fall

Kinesiology 2600 Kinesiology 2610 One of: Chemistry 1110, Physics 1000, Physics 1050 *(required cognate)* Physical Activity<sup>1</sup> Physical Activity<sup>1</sup> GLER course

#### Year 3, Fall

Kinesiology 3650 Physical Activity 3000/4000 level<sup>1</sup> Physical Activity 3000/4000 level<sup>1</sup> Science elective Science elective Science elective

#### Year 4, Fall

Kinesiology 3000/4000 level Elective 3000/4000 level Elective 3000/4000 level Science elective Science elective

#### Biology 1010 (required cognate) Computer Science, Mathematics, or Statistics cognate Physical Activity<sup>1</sup>

Year 1, Spring

Physical Activity<sup>1</sup> Physical Activity<sup>1</sup> GLER course Science elective

### Year 2, Spring

Kinesiology 2200 One of: Kinesiology 2130, 2140, 2150, 3640 Computer Science, Mathematics, or Statistics cognate Science elective Science elective

#### Year 3, Spring

Kinesiology 3610 Kinesiology 3630 Elective 3000/4000 level Science elective Science elective

#### Year 4, Spring

Kinesiology 4000 level Science elective 3000/4000 level Elective 3000/4000 level Science elective Science elective

<sup>1</sup> Physical Activities are 1.5 credit hours (i.e., half courses).

#### **Terms Used**

**GLER course:** A course that could count toward the General Liberal Education Requirement. You may use courses in your major towards this 12-course requirement. See the 2012/2013 University of Lethbridge Calendar, Part 4 - Academic Regulations (p. 90) for complete information.

The Faculty of Arts and Science offers Liberal Education 1000 and 2000, specifically designed to introduce first-year students to the wide scope of human knowledge and teach essential university success skills, critical thinking, and integrative thinking (see the 2012/2013 University of Lethbridge Calendar, Part 14 -Courses, p. 327). LBED 1000 and 2000 may be used toward satisfying the GLER.

**Elective:** A course that you may choose freely from all those available and applicable to your program. Use courses inside or outside your major, bearing in mind any restrictions that may apply (e.g., a maximum of 20 courses from any one department).

**Cognate:** A course from a related discipline deemed to complement the chosen area of study and to encompass knowledge and skills essential to that area.
