Calendar Year: 2013/2014
Faculty: Management

The Post-Diploma program is a two-year program leading to a Bachelor of Management degree. The 20-24 courses include Arts and Science/Fine Arts courses and Management courses (specific to the major selected).

Admission

A student may gain admission to the Post-Diploma Bachelor of Management Degree program by completing an approved diploma in business administration or management with a cumulative program grade point average (GPA) at or above the current admission cut-off. Admission is guaranteed at 3.00 and above.

Students with an Accounting Diploma may choose any Post-Diploma major. Students with an approved diploma with a major other than Accounting may select any Post-Diploma major except Accounting.

Qualifying Program

Some approved college diplomas are not directly admissible to the Post-Diploma Bachelor of Management Degree program (based on program content). For these diplomas, a student may enter the Post-Diploma Bachelor of Management Degree program by successfully completing the Qualifying program. For current information on approved diploma programs, see www.uleth.ca/postdiploma.

A student may gain admission to the Qualifying program by completing one of these approved diplomas in business administration, management, or a related discipline with a cumulative grade point average (GPA) at or above the current admission cut-off and not less than 2.0.

The Qualifying program consists of the following four courses:

Management 2400 - Management Accounting
Management 3040 - Finance
Management 3080 - Managerial Skill Development
[1] One of: Writing 1000 - Introduction to Academic Writing
                    A university English course

[1] *Once admitted to the Post-Diploma Bachelor of Management program, Writing 1000 or a university English course will be used as a Fine Arts/ Humanities elective, and a 3000/4000 Management course must be taken to replace it to ensure Qualifying students take a total of 24 courses.*

Note: *Management 2400 and Management 3040 have prerequisite requirements. Students are responsible for ensuring that they have the necessary prerequisite(s).*

Students in the Qualifying program must apply to move from the Qualifying to the Post-Diploma Bachelor of Management Degree program by filling out an *Application for Admission to Specialized Programs* form before the application deadlines (**June 1** for Fall admission and **Nov. 1** for Spring admission). In order for the application to be successful, students must complete the qualifying courses at the University of Lethbridge, and achieve a grade point average of at least 2.50. If successful, applicants proceed to Years Three and Four of the Post-Diploma Bachelor of Management Degree program and must take 20 additional courses.

Note that the minimum grade requirements must be met (see reverse).

Students in the Qualifying program cannot take courses which are part of the degree unless they receive permission from an academic advisor. If students take these courses without obtaining permission in advance, these courses will not count toward the 20-course Post-Diploma degree.

About Management Minors

The Faculty of Management offers minors in First Nations' Governance, Information Systems, International Management, New Media, Social Responsibility, and Supply Chain Management. In some cases, achievement of the minor and a chosen major will require a student to take extra courses. Students may not declare a minor in the same subject as their major. For students who complete all the requirements, the minor will be acknowledged on the official transcript (see Part 11 - Faculty of Management in the UofL Calendar or the Minor Program Planning Guides available online at www.uleth.ca/ross/program-planning).

Duplicated Courses

Students who are admitted to the Post-Diploma Bachelor of Management program cannot receive credit for courses at the University of Lethbridge for which they have equivalent credit in their diplomas. For example, a student with a business diploma who has completed a transferable Human Resource Management course in the diploma cannot take Management 3050/Political Science 3420 - Human Resource Management at the University of Lethbridge for credit. Substitute courses will be assigned by the Faculty of Management to replace any courses for which they have equivalent credit. Substitute courses must be approved by the Faculty of Management. Diploma courses that satisfy Core Requirements must have a minimum grade requirement of 'C-'. Students are strongly encouraged to consult with an academic advisor if they have questions.

Campuses

The Faculty of Management offers programs on three campuses: Calgary, Edmonton, and Lethbridge. On the Lethbridge campus, students can pursue all programs and majors offered by the Faculty of Management. The Calgary and Edmonton campuses serve adult learners who may be in the work force wanting to further their education. These campuses offer the B.Mgt., Post-Diploma B.Mgt., second degree in Management, the Professional Diploma in Accounting, and other Management Certificates. Combined Degrees programs (B.A./B.Mgt., B.Sc./B.Mgt., B.F.A. (New Media)/B.Mgt., B.H.Sc./B.Mgt., B.Mgt./B.Ed., and Post-Diploma B.Mgt./B.Ed.) cannot be completed in their entirety on the Calgary or Edmonton campuses, and all Combined Degrees applicants will be assigned to the Lethbridge campus (see Part 11 - Faculty of Management, Section 4, in the 2013/2014 UofL Calendar). Sequencing

Courses in this major may not be offered every semester. Students should consult current timetables.

Students may opt to take Summer Session courses which may reduce the overall length of time required to complete the degree.
