About the Post-Diploma B.F.A. - Dramatic Arts Program

This broad, general-focus program is appropriate for students with a technical or performance diploma in Theatre or Drama. Post-Diploma students study theatre history, acting, stagecraft, and obtain hands-on, practical, experience by participating in the series of major productions presented by the Department of Theatre and Dramatic Arts.

Additional Information

For additional information about the Department of Theatre and Dramatic Arts, visit the Department's website: www.uleth.ca/finearts/drama. Students are also encouraged to refer to the Department's Information Handbook (www.uleth.ca/finearts/departments/drama/information-handbook).

Drama Production Credit

Drama 2600, 3600, and 4600 are courses that allow credit for participation in productions produced by the Department of Theatre and Dramatic Arts. Participation includes all aspects of the production process (acting, design, props, lighting, sound, stage management, etc.). Drama 2611, 3611, and 4611 are similar, but are limited to technical or design assignments. Registration in Drama 2611 requires the corequisite of Drama 2810. Drama 2611 is a prerequisite for Drama 3611 and 4611.

Procedure:

1. The production season is established in the spring of each year. The list is available from the Chair of the Department of Theatre and Dramatic Arts.
2. Students may contact the faculty member responsible for directing the play or watch the bulletin boards for notice of audition dates. Those interested in the technical aspects of the production may wish to contact the Technical Director.
3. Registration in the relevant course number normally occurs in the semester in which the production(s) will be completed. The usual course registration deadlines do not apply; however, if the course is not registered before November 15 for the Fall or March 15 for the Spring, registration will be delayed until the following semester.
4. The forms required to register are available from the Fine Arts Advising Office (W660). Registration is coordinated by the Faculty of Fine Arts Advising Office.

Faculty of Education

Drama and Education Education 2500

Success in Drama and Education has similar requirements including commitment, organization, creativity, and persistence.

Education 2500 is an introductory course that must be completed before admission to the program. Its main focus is to assist students in making a decision about the suitability of teaching as a career.

Field Experience

One of the strengths of the University of Lethbridge Education program is the extensive amount of field experience students acquire during their two years in the faculty. Beyond Education 2500, all students teach in the schools during Professional Semesters I (five weeks), II (six weeks), and III (full semester internship). Practicum placements in PS II and PS III focus on teaching drama in a variety of classroom contexts, while PS I is a more generic placement.

Performance

Because performance is an important form of communication for Drama teachers, students are encouraged to gain as much performance experience as possible by taking advantage of all the productions presented by Department of Theatre and Dramatic Arts. Along with the required Drama 3600, students may choose to take Drama 2600 and 4600 to gain additional performance experience.

'Methods for Non-majors' Elective

Education students are encouraged to take at least one 'methods for non-majors' elective such as Mathematics, Language Arts, or Social Studies after admission to the Faculty of Education and before entering Professional Semester II, and definitely before PS III.

Career Opportunities

Completing a B.F.A.- Dramatic Arts/B.Ed. or B.A./B.Ed. Combined Degrees program enables graduates to teach from K to 12. However, the B.F.A.- Dramatic Arts/B.Ed. program better equips graduates to teach Grades 7-12, and is especially valuable for teaching Grades 10-12.

Teaching in the Practicum

During their practicum, students may teach units on orientation, improvisation, reader's theatre, story theatre, mime, movement, and scene study. Possessing experience with some or all of these subjects helps ensure success in the classroom.

Education Minors

Students may complete an Education minor in addition to the major. The Faculty of Education offers 18 minors. A minor consists of five non-Education courses (excluding those used in the major) and one curriculum and instruction Education course (to be completed after admission to the Faculty of Education). Students may use the same courses to fulfill minor and General Liberal Education requirements. Completing a minor allows students to develop expertise in a second area of teaching and be more versatile and marketable as a graduating teacher. For more information, see the 2015/2016 University of Lethbridge Calendar, Part 8 - Education, Section 7. Education Minors (p. 159).

This is a planning guide and not a graduation check or guarantee of course offerings. You should have a program check done in your final year of studies. Students are responsible for the accuracy of their own programs. The guide should be used in conjunction with the University of Lethbridge Calendar, which is the final authority on all questions regarding program requirements and academic regulations. Contact an Academic Advisor in the Faculty of Fine Arts or Faculty of Education for advising information.

All students begin the program classified as Pre-Post-Diploma B.F.A. - Dramatic Arts/ B.Ed. in the Faculty of Fine Arts. After the completion of 10 courses, including Education 2500 (or equivalent), students may apply to the Faculty of Education. Students are not officially in the 35-course Post-Diploma Combined Degrees program until they have been admitted to BOTH the Faculty of Fine Arts and the Faculty of Education.
