Current and Past Program Planning Guides:

www.uleth.ca/ross/ppgs

This program guide is designed to help you plan your degree program. The information should help you keep track of your progress in your major, electives, and all your degree requirements. Please remember that this is only a guide and not a graduation check. Students are responsible for the accuracy of their own programs. The guide should be used in conjunction with the University of Lethbridge Calendar, which is the final authority on all questions regarding program requirements and academic regulations.

Name : _____

ID : _____

B.N. After Degree

Students registered at Lethbridge College will take courses that bear the College’s numbering system, while courses taken at the University of Lethbridge will bear the University’s course numbering system. Where two numbers appear in the list below, the first number reflects the Lethbridge College course numbering system while the second reflects the University of Lethbridge system.
