About the Post-Diploma B.F.A. - Multidisciplinary Program

The Post-Diploma Bachelor of Fine Arts - Multidisciplinary program enables students to change direction and move into a new or different fine arts focus, which may be particularly useful in meeting entrance requirements for graduate school. It also affords an excellent preparation for students wishing to pursue professions in fine arts fields such as art therapy, art administration, performance, journalism, musical theatre, recreation, education, applied theatre arts and technology, arts criticism, or design.

Maximum Flexibility

The program provides the flexibility to pursue studies in the Departments of Art, Theatre and Dramatic Arts, and Music in combination with courses from inside or outside the Faculty of Fine Arts.

Contact an Academic Advisor

Students accepted into this program must contact an Academic Advisor in the Faculty of Fine Arts (tel. 403-329-2158) for guidance and information about available options and the particular path to pursue. To book an appointment with an Academic Advisor in the Faculty of Fine Arts, visit uleth.ca/finearts/advising.
