Department of Drama

About the Post-Diploma B.F.A. - Dramatic Arts Program

This broad, general-focus program is appropriate for students with a technical or performance diploma in Theatre or Drama. Post-Diploma students study theatre history, acting, stagecraft, and obtain hands-on, practical, experience by participating in the series of major productions presented by the Department of Drama.

Additional Information

For additional information about the Department of Drama, visit the Department's website: www.uleth.ca/finearts/drama. Students are also encouraged to refer to the Department's Information Handbook (www.uleth.ca/finearts/departments/drama/information-handbook).

Drama Production Credit

Drama 2600, 3600, and 4600 are courses that allow credit for participation in productions produced by the Department of Drama. Participation includes all performance aspects of the production process. Drama 2611, 3611, and 4611 are similar, but are limited to technical or design assignments. Registration in Drama 2611 requires the corequisite of Drama 2810. Drama 2611 is a prerequisite for Drama 3611 and 4611.

Procedure:

1. The production season is established in the spring of each year. The list is available from the Chair of the Department of Drama.
2. Students may contact the faculty member responsible for directing the play or watch the bulletin boards for notice of audition dates. Those interested in the technical aspects of the production may wish to contact the Technical Director.
3. Registration in the relevant course number normally occurs in the semester in which the production(s) will be completed. The usual course registration deadlines do not apply; however, if the course is not registered before November 15 for the Fall or March 15 for the Spring, registration will be delayed until the following semester.
4. Registration is coordinated by the Faculty of Fine Arts Advising Office.

Faculty of Education

Education 2500

Education 2500 is an introductory course that must be completed before admission to the program. Its main focus is to assist students in making a decision about the suitability of teaching as a career.

Field Experience

One of the strengths of the University of Lethbridge Education program is the extensive amount of field experience students acquire during their two years in the faculty. Beyond Education 2500, all students teach in the schools during Professional Semesters I (five weeks), II (six weeks), and III (full semester internship). Practicum placements in PS II and PS III focus on teaching drama in a variety of classroom contexts, while PS I is a more generic placement.

Performance

Because performance is an important form of communication for Drama teachers, students are encouraged to gain as much performance experience as possible by taking advantage of all the productions presented by Department of Drama. Along with the required Drama 3600, students may choose to take Drama 2600 and 4600 to gain additional performance experience.

Career Opportunities

Completing a B.F.A.- Dramatic Arts/B.Ed. or B.A./B.Ed. Combined Degrees program enables graduates to teach from K to 12. However, the B.F.A.- Dramatic Arts/B.Ed. program better equips graduates to teach Grades 7-12, and is especially valuable for teaching Grades 10-12.

Teaching in the Practicum

During their practicum, students may teach units on orientation, improvisation, reader's theatre, story theatre, mime, movement, and scene study. Possessing experience with some or all of these subjects helps ensure success in the classroom.
