Notes:

- **If you are placed in a semestered school in Spring** (*starting late January or early February*), you will not be finished your internship by the end of the Spring semester. Consequently, **you will not be able to take Summer Session I courses**. In addition, if this is your final semester of program, **you will not be eligible for Spring graduation or convocation**.
- **Out-of-Zone or International placements** may not be possible for either of the Specializations, Native Education, or Fine Arts Internships. Out-of-Zone or International placement requests must be made separately through the Field Experience office. (**Deadline** for application is **January 15 for the Fall PS III semester** and **August 31 for the Spring PS III semester**.) Applications can be submitted electronically, so applications received after those dates will be considered late.
