University of Lethbridge highlights for the week of April 10 to 13

The University of Lethbridge has several events lined up this week that may be of interest to your readers, viewers and listeners. Members of the media who are interested in covering these events are encouraged to contact the individual event organizer directly.

Annual Department of Art Open House

Monday, April 10, 10 a.m. to 5 p.m., 8th floor art studios, University Centre for the Arts

Students in advanced and senior studio courses will exhibit their work from the past school year. Students in these courses work individually with instructors, choosing a theme and media. The works on display include sculpture, painting, drawing, installation, digital media and photography.

New Board and Video Game Night

Monday, April 10, 6 to 8:30 p.m., PE264

New media students studying game design and video game production are presenting their new board and video game projects. Students in the game design class collaborated with biochemistry students to create two board games with a biochemistry focus. Students in the video game production class will present three, team-built, original video games.
