Programming Contest Club

Information Session

Thursday September 14, 2017 4:00pm
L1170A

- **Do you enjoy solving problems?**

- **Do you enjoy competition?**

- **Do you want to apply what you have learned in class to interesting problems?**

If your answers are YES, you may be interested in representing the University of Lethbridge at the ACM Programming Contest.

Come out and see what this is all about.

Refreshments will be served.
