

Parking Near U of L Calgary Campus

The City of Calgary utilizes a "ParkPlus" system. When you park on the street or in a public lot, there is a unique 4-digit zone number designated to each fare-based parking area. You can go to the electronic parking machines (situated every 100 metres or so) and enter your license plate number and zone number. You do not need to put the receipt on your dashboard as Calgary Parking Authority cars with cameras will drive by and automatically take pictures of each car's license plate, and match it with their database of paid users. Payments are usually taken by coin or credit card at the ParkPlus pay machines.

***Displayed below are some of the most frequently used public surface lots and underground parkades that are located within a 2-3 block radius from Bow Valley College.

Should you have any questions about the ParkPlus operated lots or parkades, please visit the Calgary Parking Authority website at: www.calgaryparking.com/web/guest/aboutthecpa/contactus
