University of Lethbridge highlights for the week of January 7 to 13

The University of Lethbridge has several events lined up this week that may be of interest to your readers, viewers and listeners. Members of the media who are interested in covering these events are encouraged to contact the individual event organizer directly.

Art NOW Series: Skawennati

Friday, Jan. 11., noon to 12:50 p.m., Recital Hall, W570

Skawennati makes art that addresses history, the future and change from an Indigenous perspective. She is best known for her machinimas, which are movies made in virtual environments. Among her groundbreaking new media projects are the online gallery/chat space and mixed-reality event called CyberPowWow and the machinimas TimeTraveller.
