

# Student Summer Job Opportunity

---

## Youth STEAM Camp Instructor

Destination Exploration Youth Science Program is seeking an enthusiastic individual with a passion for sharing their love of STEAM (Science, Technology, Engineering, Arts & Math) with kids. This position will be responsible for engaging grades K-8 students in a variety of on-campus day camps between **June 10<sup>th</sup> and August 23<sup>rd</sup>, 2019**. Have a blast this summer while working with kids in our community leading camps, where we'll discover the world around us in cool and crazy ways using all things STEM! As a member of Destination Exploration, you will not only become part of a dynamic team of instructors at the U of L, but be part of a national network of science outreach programs under Actua, Canada's largest STEM outreach organization.

### Duties:

- Develop, prepare and deliver week-long STEAM summer camps on campus to children aged 6 to 11.
- Work collaboratively with other instructors to develop activities and to create a safe, educational and fun environment for the campers.
- Effectively supervise all participants at all times while encouraging interactive learning and a team atmosphere.

### Qualifications:

- Experience working with school aged children
- Knowledge of the Alberta Learning Curriculum
- Experience developing educational material (lesson plans, activity development) preferred
- Have a strong background in a science related discipline
- Possess a current First Aid Certification and a clean criminal record check
- Have the ability to effectively communicate with teachers and faculty and to act as an Ambassador of the U of L within our community
- Be creative, resourceful and a team player

Hours for this position are typically between 8:30am and 4:30pm, and may include some early (8:00am) and later (5:00pm) shifts. The wage is \$16.00/hour.
