### **PUBLIC Professor Series | The Geography of Circumstance**

**Thursday, Feb. 28, 7 to 9 p.m., Sandman Signature Lethbridge Lodge, 320 Scenic Dr. S.**

Join Dr. Tom Johnston, a geography professor, as he explores the ways geographic location, both absolute and relative, plays a role in shaping the future and helps explain the past and present. Every geographic location has associated constraints and opportunities that are specific to time and place. Johnston's key message is that geography matters.
