Job Posting Information

Term Posted	Summer
Job Title	Youth Social Science Program Leader
Duration	4 Months
Job Location	University of Lethbridge
Job Description	

Destination Exploration Youth Science Programs is seeking an enthusiastic individual who loves to make kids love STEM. We are looking to expand our programs into the arts, social sciences and humanities disciplines. This position will be responsible for engaging grades K-8 students in a variety of classroom workshops and on campus day camps between April 30 and August 24. As a member of Destination Exploration, you will become part of a national network of science outreach initiatives under Actua, Canada's largest STEM outreach organization.

Duties:

- Develop, prep and deliver our Traveling Lab Coats workshops, which are delivered to K-8 students in Lethbridge and its surrounding area (this program requires travel, which is reimbursed at a set mileage rate).
- Develop, prep and deliver week-long Learning Quest science camps on campus to children aged 5 – 16.
- Work collaboratively with other Leaders to develop activities and to create a safe, educational and fun environment for the campers.

- Effectively supervise all participants at all times while encouraging interactive learning and a team atmosphere.

Hours for this position are typically between 8:30 AM and 4:30 PM and the wage is \$16/hr. For more information on the programs that this position will be supporting please visit our website at <http://www.uleth.ca/destination-exploration/programs>.

Job Requirements

Qualifications:

- Experience working with school aged children.
- Knowledge of the Alberta Learning Curriculum.
- Experience developing educational material (lesson plans, activity development) preferred.
- Have a strong background in arts, social science or humanities related discipline.
- Possess a current First Aid Certification and a clean criminal record check.
- Have a valid Driver's License and the ability to travel – personal vehicle an asset.
- Have the ability to effectively communicate with teachers and faculty and to act as an Ambassador of the U of L within our community.
- Be creative, resourceful and a team player.

Preferred Academic Level	Undergraduate
All Programs	Yes
Projected Start Date	April 30 12:00 AM
Projected End Date	August 24 12:00 AM

Application Information

Additional Application Information

Please address in your cover letter:

1. Do you have experience combining STEM with art/social science/history/etc?
2. Why is STEM outreach important to you?
