

For Immediate Release — Tuesday, April 23, 2019

Media Availability: University of Lethbridge research projects supported by Western Economic Diversification

WHAT: On Wednesday, Apr. 24, Western Economic Diversification will announce, by news release, significant funding that will support two distinct research projects at the University of Lethbridge. Researchers who benefit from this funding will be available to speak with media about its impact.

WHEN: Wednesday, Apr. 24, 11 a.m.

WHERE: Markin Hall Atrium

WHO: U of L researchers will address how the funding supports sustainable and culturally-sensitive resource development, boosts economic growth and creates employment opportunities.
