At the English Language Institute, students enjoy instruction and interaction with Canadian students, Canadian families, and other international students while studying in a fully accredited English language program.

Successful completion of the Advanced Level meets the English Language Proficiency requirements for entry in to the University of Lethbridge. Students can be conditionally admitted to the University and begin studies in their undergraduate or graduate program once they have completed the EAP Program.

Our instructors are all highly educated with TESL Certification, and years of instructional experience at the post-secondary level. Students who complete the advanced EAP level can transition into academic study at the undergraduate or graduate level.
