VINCENT COTE

Chinook Summer Research Award Recipient

Wednesday – September 27, 2017

12:00 to 12:50 pm

UHall - B730

In the presentation, Vincent Cote will be sharing his experience as a recipient of the Chinook Research Award working as a web developer on an educational card game (Programming Wars) for the Summer of 2017.

During his work term, Vincent was exposed to many software development concepts and tools including HTML, CSS, Javascript, and GitHub.

The presentation will showcase the challenges and rewards associated with a beginner learning new concepts to produce a working web application.

OPEN TO ALL INTERESTED PARTIES
