

For Immediate Release — Tuesday, January 28, 2020

## **Piikani Nation students to take part in S.T.E.M. activities with University's Destination Exploration team**

**WHAT:** A group of Grades 6 to 9 students from Piikani Nation will be on campus taking part in a workshop featuring science, technology, engineering and mathematics (STEM) activities

**WHEN:** Wednesday, January 29, 2020, 9:30 a.m. to 12 p.m.

**WHERE:** Science Commons, Room SA7300

Media are invited to attend as Grade 6 to 9 students take advantage of the new Destination Exploration science outreach space in Science Commons. Students will be working on electricity, circuits and Makey Makeys. **The best opportunity for media to see the student projects is between 10:30 a.m. and 12 p.m.**
