PREAMBLE

As required by Section 96 of the *Post-Secondary Learning Act* and Section 58 of the *Labour Relations Code* of the Province of Alberta, this Agreement was reached between the University of Lethbridge ("University") Board of Governors ("the Board") and the University of Lethbridge Graduate Students' Association ("ULGSA") on behalf of Academically Employed graduate students.

The parties recognize the importance of graduate assistant positions to the professional development of graduate students and to the delivery and functioning of academic programs within a liberal education institution.

This Agreement includes provisions for remuneration, terms and conditions of employment, procedures for the settlement of grievances, and procedures respecting the negotiation of future agreements.

ARTICLE 1: TERM OF AGREEMENT

1.01 This Agreement is effective from May 1, 2018 to April 30, 2020, and thereafter from year to year unless a written notice is given by either party not less than sixty (60) days, or no more than one hundred and twenty (120) days prior to the expiration of the term of this Agreement, of their desire to terminate this Agreement or negotiate a revision thereof, in which case this Agreement shall remain in effect without prejudice to any retroactive clause of a new Agreement until negotiations for revision or amendments hereto have been concluded and a new Agreement superseding this Agreement has been duly executed.

ARTICLE 2: DEFINITIONS

2.01 In this Agreement:

- (a) "Academically Employed" means employment by the University to perform professional work in support of the University's teaching or research mandate, and/or professional work in support of the strategic initiatives or projects of any University unit. Unless the graduate student is performing work in the capacity of an independent contractor, or in the capacity of an Administrative Professional Officer ("APO"), Alberta Union of Provincial Employees ("AUPE"), Co-operative Education, Exempt, or University of Lethbridge Faculty Association ("ULFA") employee, any academic employment of a graduate student shall be subject to the tenets of this Agreement. Graduate students may be employed by the University outside of this Agreement in cases where the employment does not meet the definition of "Academically Employed."

- (b) "Agreement" means this agreement, witnessed, signed, and dated.
- (c) "Appointing Administrator" means the University senior administrator overseeing the Faculty, School, or administrative unit in which the duties of the GA will be performed.
- (d) "Calendar" means the current version of the University Graduate Studies Calendar and Course Catalogue.
- (e) "Coordinator" means a University faculty member or appropriately qualified staff member who supervises and coordinates the duties performed by the GA during their appointment and is responsible for the assignment, monitoring, and evaluation of those duties.
- (f) "Essential services" are those services:
 - i. The interruption of which would endanger the life, personal safety, or health of the public:
 - ii. Necessary to the maintenance and administration of the rule of law or public security.
- (g) "File" means the student's employment file. All documents related to the student's employment as a GA will be kept separately from any files related to their academic record.
- (h) "Graduate Assistant" ("GA") means a graduate student who has been Academically Employed under this Agreement. There are three (3) categories:
 - i. "Graduate Assistant (Teaching)" means a GA who is employed for the performance of teaching and related duties. These positions are typically funded directly by the University.
 - ii. "Graduate Assistant (Non-Teaching)" means a GA who is employed for the performance of duties in support of the strategic initiatives or projects of a University unit. These positions are typically funded directly by the University.
 - iii. "Graduate Assistant (Research)" means a GA who is employed for the performance of directed research and related duties, in support of a faculty member's research program. These positions are typically funded by a faculty member's research funds, but may also be funded directly by the University.
- (i) "Graduate student" means any student who is registered in a graduate program at the University and is a member of the Graduate Students'

Association. Students who are registered in graduate courses under an Open Studies designation, but who are not registered in a graduate program, are not classified as graduate students under this Agreement.

- (j) "Grievance" means any difference arising between the parties to this Agreement concerning the interpretation, application, administration, operation, or alleged violation of this Agreement;
- (k) "Leave" means an extended absence of three (3) weeks or more that causes the total number of hours worked under a Graduate Assistantship to be reduced.
- (l) "Non-teaching duties" means professional work, not normally related to undergraduate teaching or course delivery, done in support of the business mandate, projects, and/or strategic initiatives of an academic or administrative unit, and under the direction of a coordinator. Examples include, but are not limited to, work performed in support of such units as the Art Gallery, the Teaching Centre, the Accommodated Learning, and the Iikaiskini Gathering place.
- (m) "Offer of Appointment" means a contractual Offer of Appointment for a Graduate Assistantship made in accordance with the terms and conditions of this Agreement. Any Graduate Assistantship funding opportunities identified in an offer of admission to the student's program of study do not in themselves guarantee an Offer of Appointment to a Graduate Assistantship.
- (n) "Relevant Faculty, School, or administrative unit" means the Faculty, School, or administrative unit where the GA is employed or offered employment.
- (o) "Research duties" means directed research and related duties, in support of a faculty member's research program. This may include collecting research data, interviewing research subjects, bibliographic work, or general research services.
- (p) "Teaching duties" means any tasks related to assistance with the instructional responsibilities of academic Departments, Schools, or Faculties. This may include, but is not necessarily limited to, preparing and conducting lectures, laboratories, and/or seminars as well as grading assignments, reports, and examinations.

2.02 Other individuals are referred to by their title (e.g., Vice President (Academic) and Provost; Dean of the School of Graduate Studies).

- 2.03 For the purposes of Article 16: Grievance Resolution and Article 17: Arbitration Panel, working days means Monday to Friday inclusive, excluding any statutory holidays that the University is closed as published in the Calendar.

ARTICLE 3: RECOGNITION AND COLLECTIVE BARGAINING

3.02 Negotiating Procedures

- (a) The negotiation process shall be governed by the Alberta *Labour Relations Code*, RSA 2000, c L-1, as amended.
- (b) Each party to the negotiations shall name no more than three (3) members to its negotiating committee; however, either party may bring resource people to the table as needed.
- (c) Other than simple language changes, each proposal will be presented initially as an interest proposal. An interest proposal includes the article(s) affected, the issue(s) to be addressed, and the interests motivating the proposal.

3.03 Ratification

- (a) A Memorandum of Settlement concluded by the negotiating teams will be submitted to the Board of Governors and the ULGSA Council for ratification.
- (b) The parties will sign the agreement within ten (10) business days of receiving the last approval.
- (c) If either party fails to receive approval of the agreement, negotiations will recommence. New bargaining teams may be formed at the discretion of either party.

ARTICLE 4: UNION MEMBERSHIP AND DUES

- 4.01 All employees covered by this Agreement shall become members of the ULGSA as a condition of employment.
- 4.02 The Board agrees to deduct union dues on a monthly basis from the pay of all GAs covered under this Agreement.
- 4.03 The Board shall remit the Union dues that have been deducted from the pay of the GAs to the ULGSA by the first working day after the fifteenth (15th) calendar day in

the following month and shall be accompanied by a monthly remittance report including the following information for each GA:

- (a) Name
- (b) Appointment category, or categories, during the monthly pay period
- (c) Overall amount of dues deducted during the monthly pay period

Where an accounting adjustment is necessary to correct an over or under payment of dues, it shall be processed and remitted in the succeeding month.

ARTICLE 5: APPLICATION OF THE AGREEMENT

- 5.01 These terms and conditions cover the normal cases related to Graduate Assistantships and provide a standard that can be expected by all GAs. However, there may be occasions where a graduate student and their Coordinator agree that some deviation from this Agreement may be in the best interest of both parties. In such an event, the Coordinator and the graduate student will consult with the Dean of the School of Graduate Studies and the President of the Graduate Students' Association. Any authorized deviations from the Agreement will be forwarded to the Appointing Administrator to be included in the student's file.
- 5.02 All matters not specifically covered by the provisions of this Agreement will be dealt with at the discretion of the Board.

ARTICLE 6: ELIGIBILITY

- 6.01 All matters not specifically covered by the provisions of this Agreement will be dealt with at the discretion of the Board.
- 6.02 All registered graduate students are eligible to hold a Graduate Assistantship.
- 6.03 Eligibility to hold a Graduate Assistantship is not a guarantee of an Offer of Appointment.
- 6.04 Graduate students must apply for admission to their graduate program on or before the deadlines identified in the Calendar to be considered for a Graduate Assistantship.

- 6.05 These terms and conditions do not restrict graduate students from combining a Graduate Assistantship with graduate scholarships, fellowships, or any other awards. If a student receives an award and an assistantship, they are advised to check the eligibility requirements of the award to ensure there are no restrictions on holding an assistantship.

ARTICLE 7: HEALTH AND SAFETY

- 7.01 The Board is committed to ensuring that the workspaces in which GAs perform their duties conform to the standards set out in relevant health and safety legislation, including the *Occupational Health and Safety Act, Regulation, and Code*, and any amendments or replacement thereto.
- 7.02 Graduate students will follow safe working procedures including any relevant Faculty, School, or administrative unit and departmental procedures. Where a graduate student becomes aware of any safety concern, the GA will report the concern(s) to their Coordinator or Department Chair or Appointing Administrator. The GA has the right to report and contact the Labour Relations Committee with any concerns.

- 7.04 A GA will not be required to perform their duties in a workplace considered to be unsafe; refusal to perform duties because of safety concerns shall not be a violation of this Agreement or cause for withholding pay.
- 7.05 At any time, a GA may request campus Risk and Safety Services to inspect the workplace.

ARTICLE 8: OFFERS OF APPOINTMENT

- 8.01 For each GA appointment or reappointment, the office of the Appointing Administrator will initiate and forward a written Offer of Appointment to the appointee.

An Offer of Appointment may include more than one appointment category, subject to the tenets of this Agreement.

The Offer of Appointment will indicate the specifics of the appointment including but not limited to:

- (h) Where appropriate, the name and position of the GA's Coordinator, or the date by which the GA can expect to know who their Coordinator will be;
- (i) Notification of the date by which the GA must report to the GA's Coordinator to begin duties. Notice will also be given that failure to report by this date may result in termination of the appointment without further notice to the GA;
- (j) A statement that a GA appointment is not intended to cover the full cost of living, including but not limited to housing costs, and that the student is responsible for paying tuition and fees; and
- (k) A statement that income from Graduate Assistantships is in accordance with Canada Revenue Agency legislation and will be treated accordingly by Human Resources.

8.02 Signatures and Distribution of Copies

- (a) GA (Teaching and Non-Teaching): The student must formally indicate their acceptance of the Offer of Appointment, normally by signature, but also by some other mutually acceptable means if the student is not present to sign the offer. The office of the Appointing Administrator will give a copy of the accepted Offer of Appointment to the student and add a copy to the student's employment file.
- (b) GA (Research): Both the Coordinator and the student formally indicate their acceptance of an Offer of Appointment, normally by signature, but also by some other mutually acceptable means if either party is not present to sign the offer. The Coordinator will give a copy of the accepted Offer of Appointment to the student and will also forward a copy to the office of the appropriate Appointing Administrator for the student's employment file.

- 8.03 The Appointing Administrator, where appropriate, the Coordinator, and the student will agree, in writing, to any subsequent changes to the GA's duties and responsibilities from those agreed to in the Offer of Appointment. Any changes to duties must not cause the student to work more hours than permitted under this Agreement (see Article 10: Hours of Work).
- 8.04 Failure by the GA to report on the date prescribed in the signed Offer of Appointment may result in the termination of the appointment without further notice to the GA.

ARTICLE 9: ASSIGNMENT OF DUTIES

- 9.01 The Coordinator, in consultation with the GA and with the instructor of record or administrator as appropriate, will provide a written Assignment of Duties. The Assignment of Duties:

Any such written warning shall be placed in the student's employment file, and a copy of the warning shall be provided to the student. The failure to give prior written warning will not, by itself, be grounds for a grievance.
- 12.03 Written notice with reasons for termination will be given to the GA and the Appointing Administrator and a copy included in the student's employment file.

ARTICLE 13: REMUNERATION

- 13.01 The rate of pay will be communicated in the Offer of Appointment in accordance with Schedule A: Salary and Wage Schedule.

- 16.01 Any grievance or difference between the parties to this Agreement regarding the application, interpretation, operation, or any alleged violation of this Agreement will be dealt with progressively, and without stoppage of work or refusal to perform work except where there is an imminent danger to the health or safety of the GA pursuant to the *Occupational Health and Safety Act, Regulation, and Code*, and the University Harassment and Discrimination policy.
- 16.02 The grievance resolution process outlined in this Agreement only applies to grievances related to the application or interpretation of the terms and conditions of this Agreement. It does not apply to grievances involving graduate student academic performance (including grades or examinations), or academic and non-academic offenses as defined in the Calendar, or decisions of the Graduate Council or Graduate Council Executive.

- 16.03 The GA and Coordinator may resolve the dispute informally. Any informal resolution will be without prejudice and with respect. The grievor has the right at any time, to consult with the ULGSA to help navigate the situation and to determine if the situation is in breach of this Agreement.

The notice will be in writing, describing the nature of the grievance and the proposed resolution.

Effective September 1, 2018, the parties agree that Article 10: Hours of Work will be replaced with the following language.

10.01

- (a) The number of hours for a GA serving multiple Graduate Assistantship appointments in a four (4) month academic term will not exceed a total of two hundred and twenty four (224) hours in that academic term. Typically, a GA works an average of eight (8) hours per week, subject to the terms of their individual signed Offers of Appointment. The hours per week can vary depending on the nature of the assigned work.
- (b) It is the graduate student's responsibility to ensure that they do not accept an Offer of Appointment that will result in the GA's workload exceeding this maximum without the specific approval of the Dean of Graduate Studies.

10.02 The parties recognize that the nature of academic work may mean reasonable fluctuations in the number of hours worked in any given week, but in any case the hours worked will not exceed the number of hours agreed to in the Offer of Appointment.

10.03 The total number of hours includes all forms of service required to complete the appointment. For GA (Teaching), service includes allowance for preparation, delivery, and marking. If attendance at lectures is required as part of an assigned service function, the time committed to that must be included as part of the GA's weekly hours.
