University of Lethbridge highlights for the week of February 18 to 23, 2020

The University of Lethbridge has several events lined up this week that may be of interest to your readers, viewers and listeners. Members of the media who are interested in covering these events are encouraged to contact the individual event organizer directly.

Community Neuroscience Series: Surjeet Singh

Wednesday, Feb. 19, 7 to 8 p.m., Telegraph Taphouse, 310 6 St. S.

In this community speaker series, researchers from the Canadian Centre for Behavioural Neuroscience visit local venues to discuss hot topics in neuroscience. Everyone is invited to join Singh, a PhD candidate, as he talks about the similarities and differences between common technology and the human mind. He'll also share his journey from engineering to neuroscience to demonstrate the importance of interdisciplinary research.
