

Faculty of Fine Arts Prerequisite Waiver Form

IMPORTANT INFORMATION:

- Approval must be given prior to registration.
- If a prerequisite course is waived, and that prerequisite course is required in a student's program, the course must still be taken.
- Student must fill in **Step 1** then email it to the Instructor.
- If approved by the Instructor, the Instructor will email finearts.advising@uleth.ca to process the form.

The Faculty of Fine Arts enforces the prerequisites for all of its courses and will remove students who do not present the necessary prerequisite(s) or co-requisite(s). Student will be notified if a waiver is not approved. In most cases the student will be able to register themselves and should keep checking the Bridge for access to the course. An approved prerequisite waiver does not guarantee access to a course.
