Graduate Program in which you will be registered
Degree in which you will be registered   Start date of degree

Award Selection

Alberta Innovates Graduate Student Scholarships for Data-Enabled Innovation

1. Alberta Innovates Research Proposal Title

2. Alberta Innovates Degree Stream

3. Alberta Innovates Emerging Technology

4. Alberta Innovates Innovation Priority Area

Application Checklist:

1. **Confirm your eligibility** by reading the terms of reference in the Alberta Innovates 2020/21 Graduate Student Scholarships for Data-Enabled Innovation Program Guidelines and Handbook
2. **Adobe Acrobat Reader is required to complete this form.** Download Adobe Reader.
    o Opening this form in any software other than Adobe Reader will corrupt the file
    o This application is not compatible with all browsers
    o Open the blank application form from our website. Choose "save as" and save a copy on your computer. Name your application: AI(T) Data_*YourLastName_YourFirstName.pdf*
    o Confirm your application is in the correct format: all fillable fields and text must be visible. Do not add or delete fillable fields. Complete one or two test fields on your application, save, close and reopen on a different computer to ensure the form is correctly saved.
    o Printed or scanned applications will not be accepted
3. **Request two references**
    o If you are currently in an academic program, one of the referees must be your supervisor or someone familiar with your current academic work
    o References should forward their letters to **sgs.awards @uleth.ca** with the subject line *DEI Reference letter*
4. **Ensure all sections of the application are completed**
5. **Email your application to sgs.awards@uleth.ca   DEADLINE: November 2, 2020**
    o In the body of the email:
        ▪ Your full name and ULID number
6. List all your transcripts from all post-secondary institutions you have attended. You do not need to attach transcripts.

References

Provide *the name, phone number and e-mail of the two referees you asked to support your application*; one of whom should be your supervisor.

In accordance with the Freedom of Information and Protection of Privacy act (FOIP), you are giving the referee consent to disclose personal information, such as academic performance; and personal characteristics such as leadership. This information is required to evaluate the application for scholarship purposes.

Referee #1 Name	
Phone Number	Email

Referee #2 Name	
Phone Number	Email

Academic History

*List transcripts for ALL post-secondary institutions you have attended whether or not you received a degree from those institutions**, including current University of Lethbridge transcript even if no grades are assigned.***

Academic Institution and Country	Degrees/ Diplomas	Month/Year Started	Month/Year Awarded *(or expected)*

Scholarship History

List up to ten scholarships or awards that **you** have been awarded. **Do not include assistantships, supervisor funding, group awards or funding paid through grants.** Indicate the dates of tenure in chronological order starting from the most recent to oldest.

If the prestige of the award is not apparent, you can add a statement to the Comments section. For example, the $800 John Smith Scholarship is awarded to the top Computer Science student each year.
If you have not been awarded scholarships at this time, **Check** this box

Name of Scholarship or Award	Month/Year Started	Month/Year Ended	Annual Value	Source of Funds (Federal, Provincial etc)	Comments

When appropriate, outline extraordinary circumstances that may have delayed or interrupted 1) your completion of degree(s), 2) record or research achievement, or 3) your research career. Extraordinary circumstances include **care of family members, illness, disability or other exceptional factor. Employment** while completing your degree **is not considered extraordinary.**

Declaration and Acknowledgment

By submitting this application to the program, I declare that:
1. That I have answered all questions applicable to me and that all information is true and complete
2. That I will notify the School of Graduate Studies office if I withdraw from full-time status, receive other external, faculty or departmental awards or otherwise change my student status
3. That the School of Graduate Studies may request additional information pertaining specifically to my academic performance and enrollment status for the purpose of determining my eligibility for scholarships/awards
4. That in order to recognize my achievements, pertinent information may be released to the donor of the award, provincial funding bodies, faculty offices, appropriate University of Lethbridge publications and administrative offices
5. That the amount must be disclosed to the Financial Services Office
6. That I will send a letter of thanks if required in the award offer and I understand that my contact information will be given to the donor

That I understand the information provided on this application may be used for research and statistical analysis
