

Department of Philosophy
Undergraduate Student Conference
Date: Saturday, February 27, 2021

**CALL FOR
PAPERS**

The Department of Philosophy invites high-quality undergraduate student submissions for our upcoming conference. Papers may be on any philosophical subject, and may include work originally written for other purposes (such as coursework). Individuals from groups typically underrepresented in philosophy are particularly encouraged to apply. Papers will be blind-refereed with notices of acceptance sent out by early-February. Submissions should be suitable for a twenty-minute presentation.

Extended Submissions Deadline: Friday, January 29, 2021

Submissions and questions can be forwarded to: Karl Laderoute (karl.laderoute@uleth.ca)

Note: this year's conference will be held on-line with details to follow. Submissions should be readied for blind review, with all identifying information (such as name and student number) removed.

Conference info available at:
