## University of Lethbridge Play Day activities ready to go for week of virtual play events

The University of Lethbridge's 10th annual Play Day, presented by North & Company LLP, has finalized its activities for a week of virtual play and engagement designed to bring families together.

Check out the [Play Day Facebook Event](#) page for details and check in daily February 15-20 for a series of interactive videos aimed at children and families featuring some Play Day favourites, including Destination Exploration, the Art Gallery, Pronghorn Athletics and the Conservatory of Music.

All videos will be available beginning Monday, Feb. 15, and families can view and participate at any time. The videos will be featured on U of L social channels as follows.

### **Monday, Feb. 15**

U of L Conservatory of Music Feature Video — Create Your Own Drum Kit!

### **Tuesday, Feb. 16**

U of L Art Gallery Feature Video — Smear Painting

### **Wednesday, Feb. 17**
