

How do I set up my employee Campus Login?

Your campus login is necessary to access the Portal, the Bridge, Webmail, and more.

- ▶ If you are a student and/or attended the UofL and remember your Login credentials, you can login with the same information.
- ▶ If you forgot your Login credentials or need to create one, follow the steps below:

To setup your Campus Login:

1. Have your nine-digit uLethbridge ID number and birth date available
 - If you do not know your uLethbridge ID number, please call Human Resources (403) 329-2274
2. Visit the [SetupLogin](#) webpage
3. Follow the steps to select your username, password and security questions
4. Now that you have your Login credentials, you will have access to the UofL Portal, the Bridge, Webmail, etc.
