NO Votes - 33.79% (586 people)
YES Votes - 66.21% (1148 people)

Explanation

- The total amount of funds that the students voted to contribute is 2.5 million dollars over a twelve year period.
- In return the University granted the Students' Union the opportunity to name the Fitness Centre.
- Only students enrolled on the Lethbridge campus are required to pay these fees.
- These fees are separate and distinct from all other Students' Union fees.
