

GUEST REGISTRY

This GUEST REGISTRY FORM is required for all guest stays. This form must have the signature of all roommates involved and the RA **prior** to approval by Housing Services Staff.

Roommate approval is required at all times. In each instance the host and roommates are strongly encouraged to take some time to talk about the arrangements to gain an understanding of how all parties feel about the potential disruption guests can cause **before** the guest is invited to stay. If a roommate feels that their rights are violated, it is their responsibility to contact a staff member to help them resolve any conflicts that may have arisen.

The host resident is at all times responsible for the behavior, actions and/or damage caused by their guest. Violations resulting from the above behaviors can result in further guest privileges being suspended for the remainder of the semester **OR** Notice to Vacate being served by the Housing office.
