¹ Students are required to pay a Term Fee for each term they are in the program over a period of four years (minimum of twelve term fees; twelve term fees cover up to six instructional course equivalents). Students who have completed twelve terms will then pay a Continuation Fee each term until they complete or withdraw from the program. Six-week SGS Thesis Courses are assessed tuition as a 1.5 credit, graduate level course plus applicable fees. Registration would be by School of Graduate Studies approval only.
